BUREAU OF CANNABIS CONTROL SUBMITS PROPOSED EMERGENCY REGULATIONS REQUIRING QR CODE CERTIFICATE

Public Comments May Be Submitted to Office of Administrative Law and the Bureau of Cannabis Control During Next Five Calendar Days

SACRAMENTO – The Bureau of Cannabis Control (Bureau) announced today that it has submitted [proposed emergency cannabis regulations](#) to the Office of Administrative Law (OAL). These proposed regulations would make it mandatory for cannabis businesses to post their unique Quick Response Code (QR Code) certificate in storefront windows and carry it with them while transporting or delivering cannabis.

The emergency regulations are designed to help consumers identify licensed cannabis retail stores, assist law enforcement and support the legal cannabis market, where products such as vape cartridges are routinely tested to protect public health and safety.

Those who wish to comment on the proposed emergency regulations must submit their comment directly to OAL within five calendar days of OAL's posting of the proposed regulations on their website. The comment period will begin on Monday, February 3, 2020, and end on Saturday, February 8, 2020. You may submit comments on the proposed regulations to OAL at:

Office of Administrative Law

OAL Reference Attorney
300 Capitol Mall, Suite 1250
Sacramento, CA 95814
E-mail: staff@oal.ca.gov

When you submit a comment to OAL, you must also submit a copy of your comment simultaneously to the Bureau at:

Bureau of Cannabis Control

2920 Kilgore Road
Rancho Cordova, CA 95670
E-mail: BCC.comments@dca.ca.gov

OAL will confirm the Bureau has received the comment before considering it. Pursuant to California Code of Regulations, Title 1, section 55(b)(1) through (4), the comment must state that it is about an emergency regulation currently under OAL review and include the topic of the emergency.

Adoption of emergency regulations does not require response to comments. Any responses to comments from the Bureau will be submitted to OAL within eight calendar days following the date of submission of the proposed emergency regulation to OAL unless specific exceptions are applicable.
