SECTION B - REQUIRED ATTACHMENTS

- Cultivation Plan
- Source of Water Supply/ Supplemental Water Information (including any attachments required in Business and Professions Code section 26060.1)
- Evidence of enrollment with an applicable Regional Water Quality Control Board or State Water Resources Control Board for water quality protection programs or written verification that enrollment is not necessary
- Copy of a valid California Department of Fish and Wildlife lake or streambed alteration agreement, pursuant to Fish and Game Code section 1602 or written verification from the Department of Fish and Wildlife that a lake and streambed alteration agreement is not required
- Compliance with Water Code section 13149
- Evidence of hazardous materials record search of the EnviroStor database for the proposed premises and protocols to protect employee health, if needed
- Evidence of conformance with the California Environmental Quality Act (CEQA)
- Power source information (for indoor and mixed-light cultivators only)
- Fines or penalties for cultivation or production on private or public land

SECTION C - DECLARATIONS

I attest that I am an "agricultural employer" (see California Code of Regulations, Title 16, section 5501).

I attest that the fire department has been notified of the cultivation site.

I acknowledge that I understand that this information may be shared with the California Department of Food and Agriculture.

Under penalty of perjury, I hereby declare that the information contained within and submitted with the application is complete, true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of a license, or revocation of a license issued.
