Article 2. Applications

§ 5001. Temporary License Application Requirements

(a) Temporary license applications may be completed and submitted online at www.bcc.ca.gov or completed in hard copy and submitted by delivering a printed copy to the Bureau’s office(s).

(b) Applicants who submit their applications online shall first register for a user account. To register for a user account, the applicant shall do all of the following:

(1) Create a user name, password, and security question and answer;

(2) Provide an email address; and

(3) Provide the owner’s first and last name, primary phone number, social security number or individual taxpayer identification number, date of birth, and mailing address.

(c) An application must be completed by an owner as defined by section 5003 of this division. An application must be submitted to the Bureau for each temporary license applied for. An application for a temporary license includes:

(1) The legal business name of the applicant.

(2) The email address of the applicant’s business and the telephone number for the premises.

(3) The business’ federal employer identification number.

(4) A description of the business organizational structure of the applicant, such as partnership or corporation.

(5) The commercial cannabis license that the applicant is applying for, and whether the applicant is requesting that the license be designated as medicinal, adult-use, or both. Testing laboratory applicants do not have to designate medicinal or adult-use, as testing laboratory licenses allow the holder to test both medicinal and adult-use cannabis.

(6) The contact information for the applicant’s designated primary contact person including the name, title, phone number, and email address of the individual.

(7) For each owner who meets the criteria of Business and Professions Code section 26001(al), the owner’s name, title, percentage of ownership, mailing address, telephone number, and email address if applicable.

(8) The physical address of the premises to be licensed.

(9) Evidence that the applicant has the legal right to occupy and use the proposed location that complies with section 5007 of this division.

(10) A premises diagram pursuant to section 5006 of this division.
(11) A copy of a valid license, permit, or other authorization issued by a local jurisdiction, that enables the applicant to conduct commercial cannabis activity at the location requested for the temporary license. For purposes of this section, “other authorization” shall include, at a minimum, a written statement or reference that clearly indicates the local jurisdiction intended to grant permission for the commercial cannabis activity or to the person to conduct commercial cannabis activity at the premises. Upon receipt of the application, the Bureau shall contact the applicable local jurisdiction to confirm the validity of the authorization. If the local jurisdiction does not respond within 10 calendar days, the Bureau shall consider the authorization valid.

(12) Attestation to the following statement: Under penalty of perjury, I hereby declare that the information contained within and submitted with the application is complete, true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of the license, or revocation of a license issued.

(d) A temporary license is a conditional license that authorizes the licensee to engage in commercial cannabis activity as would be permitted under the privileges of a non-temporary license of the same type. A temporary licensee shall follow all applicable rules and regulations as would be required if the licensee held a non-temporary license of the same type.

(e) A temporary license does not obligate the Bureau to issue a non-temporary license nor does the temporary license create a vested right in the holder to either an extension of the temporary license or to the granting of a subsequent non-temporary license.

(f) A temporary license issued under this section shall be valid for 120 days from the effective date. No temporary license shall be effective prior to January 1, 2018.

(g) A temporary license may be extended by the Bureau for additional 90-day periods if a complete application for an annual license has been submitted to the Bureau pursuant to section 5002 of this division prior to the initial expiration date of the temporary license.

(h) The Bureau shall not issue any temporary licenses or extensions after December 31, 2018. Any temporary license issued or extended with an expiration date after December 31, 2018 will be valid until it expires, but shall not be extended beyond the expiration date.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26050.1, Business and Professions Code.

§ 5002. Annual License Application Requirements

(a) Applications may be completed and submitted online at www.bcc.ca.gov or completed in hard copy and submitted by delivering a printed copy to the Bureau’s office(s).

(b) Applicants who submit their applications online shall first register for a user account. To register for a user account, the applicant shall do all of the following:

(1) Create a user name, password, and security question and answer;

(2) Provide an email address; and
(3) Provide the owner’s first and last name, primary phone number, social security number or individual taxpayer identification number, date of birth, and mailing address.

(c) An application must be completed by an owner as defined by section 5003 of this division. An application must be submitted to the Bureau for each location and each license type. An application for an annual cannabis license includes the following:

(1) The name of the applicant. For applicants who are individuals, the applicant shall provide both the first and last name of the individual. For applicants who are business entities, the applicant shall provide the legal business name of the applicant.

(2) If applicable, the business trade name (“DBA”) of the applicant.

(3) The commercial cannabis license that the applicant is applying for, and whether the applicant is requesting that the license be designated as medicinal, adult-use, or both. Testing laboratory applicants do not have to designate medicinal or adult-use, as testing laboratory licenses allow the holder to test both medicinal and adult-use cannabis.

(4) Payment of an application fee pursuant to section 5014 of this division.

(5) Whether the owner is serving or has previously served in the military. Disclosure of military service is voluntary. An applicant who has served as an active duty member of the Armed Forces of the United States and was honorably discharged and who can provide evidence of such honorable discharge shall have his or her application expedited pursuant to Business and Professions Code section 115.4.

(6) A list of the license types and the license numbers issued from the Bureau and all other state cannabis licensing authorities that the applicant holds, including the date the license was issued and the licensing authority that issued the license.

(7) Whether the applicant has been denied a license or has had a license suspended or revoked by the Bureau or any other state cannabis licensing authority. The applicant shall provide the type of license applied for, the name of the licensing authority that denied the application, and the date of denial.

(8) The physical address of the premises. If the Bureau is unable to confirm that the address provided is valid, then the applicant shall provide a document that confirms the physical address of the premises. Such a document may include a utility bill, printed information from the county assessor, deed, or title.

(9) The mailing address for the applicant, if different from the premises address.

(10) The telephone number for the premises.

(11) The website address and email address of the applicant’s business.

(12) The business’ federal employer identification number.

(13) Contact information for the applicant’s designated primary contact person including the name, title, phone number, and email address of the individual.
(14) A description of the business organizational structure of the applicant, such as partnership or corporation.

(15) The business-formation documents, which may include, but are not limited to, articles of incorporation, operating agreements, partnership agreements, and fictitious business name statements. The applicant shall also provide all documents filed with the California Secretary of State, which may include, but are not limited to, articles of incorporation, certificates of stock, articles of organization, certificates of limited partnership, and statements of partnership authority. If the commercial cannabis business is held in trust, the applicant shall provide a copy of the trust.

(16) A list of every fictitious business name the applicant is operating under including the address where the business is located.

(17) A commercial cannabis business that is a foreign corporation shall include in its application the certificate of qualification issued by the Secretary of State of California.

(18) The applicant shall supply the following financial information:

(A) A list of funds belonging to the applicant held in savings, checking, or other accounts maintained by a financial institution. The applicant shall provide, for each account, the financial institution’s name, the financial institution’s address, account type, account number, and the amount of money in the account.

(B) A list of loans made to the applicant. For each loan, the applicant shall provide the amount of the loan, the date of the loan, term(s) of the loan, security provided for the loan, and the name, address, and phone number of the lender.

(C) A list of investments made into the applicant’s commercial cannabis business. For each investment, the applicant shall provide the amount of the investment, the date of the investment, term(s) of the investment, and the name, address, and phone number of the investor.

(D) A list of all gifts of any kind given to the applicant for its use in conducting commercial cannabis activity. For each gift, the applicant shall provide the value of the gift or description of the gift, and the name, address, and phone number of the provider of the gift.

(19) A complete list of every individual who has a financial interest in the commercial cannabis business as defined in section 5004 of this division, who is not an owner as defined in Business and Professions Code section 26001(a)-5003(b) of this division.

(20) A complete list of every owner of the applicant as defined in Business and Professions Code section 26001(a)-5003(b) of this division. Each individual named on this list shall submit the following information:

(A) The full name of the owner.

(B) The owner’s title within the applicant entity.

(C) The owner’s date of birth and place of birth.
(D) The owner’s social security number or individual taxpayer identification number.

(E) The owner’s mailing address.

(F) The owner’s telephone number. This may include a number for the owner’s home, business, or mobile telephone.

(G) The owner’s email address.

(H) The owner’s current employer.

(I) The percentage of the ownership interest held in the applicant entity by the owner.

(J) Whether the owner has an ownership or a financial interest as defined in sections 5003 and 5004, respectively, of this division in any other commercial cannabis business licensed under the Act.

(K) A copy of the owner’s government-issued identification. Acceptable forms of identification are a document issued by a federal, state, county, or municipal government that includes the name, date of birth, physical description, height, gender, and picture of the person, such as a driver license.

(L) A detailed description of the owner’s convictions. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Convictions dismissed under Penal Code section 1203.4 or equivalent non-California law must be disclosed. Convictions dismissed under Health and Safety Code section 11361.8 or equivalent non-California law must be disclosed. Juvenile adjudications and traffic infractions under $300 that did not involve alcohol, dangerous drugs, or controlled substances do not need to be included. For each conviction, the owner shall provide the following:

(i) The date of conviction.

(ii) Dates of incarceration, if applicable.

(iii) Dates of probation, if applicable.

(iv) Dates of parole, if applicable.

(v) A detailed description of the offense for which the owner was convicted.

(vi) A statement of rehabilitation for each conviction. The statement of rehabilitation is to be written by the owner and may contain evidence that the owner would like the Bureau to consider that demonstrates the owner’s fitness for licensure. Supporting evidence may be attached to the statement of rehabilitation and may include, but is not limited to, a certificate of rehabilitation under Penal Code section 4852.01, and dated letters of reference from employers, instructors, or professional counselors that contain valid contact information for the individual providing the reference.

(M) If applicable, a detailed description of any administrative orders or civil judgements for violations of labor standards, any suspension of a commercial cannabis license, revocation of a commercial cannabis license, or sanctions for unlicensed commercial cannabis activity by a
licensing authority or local agency against the applicant or a business entity in which the applicant was an owner or officer within the three years immediately preceding the date of the application.

(N) Attestation to the following statement: Under penalty of perjury, I hereby declare that the information contained within and submitted with the application is complete, true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of the license, or revocation of a license issued.

(21) Evidence that the applicant has the legal right to occupy and use the proposed location that complies with section 5007 of this division.

(22) Evidence that the proposed premises is in compliance with Business and Professions Code section 26054(b) and section 5026 of this division.

(23) For an applicant with 20 or more employees, the applicant shall attest that the applicant has entered into a labor peace agreement and will abide by the terms of the agreement. The applicant shall submit a copy of the page of the labor peace agreement that contains the signatures of the union representative and the applicant. For applicants who have not yet entered into a labor peace agreement, the applicant shall provide a notarized statement indicating that the applicant will enter into and abide by the terms of a labor peace agreement as soon as reasonably practicable after licensure.

(24) The applicant shall provide a valid seller’s permit number issued by the California Department of Tax and Fee Administration, if applicable. If the applicant has not yet received a seller’s permit, the applicant shall attest that the applicant is currently applying for a seller’s permit.

(25) A diagram of the premises as required by section 5006 of this division.

(26) Proof of a bond as required by section 5008 of this division.

(27) For testing laboratory applications, the certificate(s) of accreditation as required by section 5702 of this division, or the information required for a provisional license as required by section 5703 of this division.

(28) When an applicant provides a license, permit, or other authorization from the local jurisdiction where the licensed premises will be or is located, the Bureau will notify the applicable local jurisdiction to confirm the validity of the authorization. If the local jurisdiction does not respond within 10 calendar days, the Bureau shall consider the authorization valid.

(29) All licensee applications shall include a detailed description of the applicant’s operating procedures. Applicants shall use and submit to the Bureau the following (if applicable) forms which are incorporated by reference:

(A) Transportation Procedures, Form BCC-LIC-015 (New 7/18)

(i) A description of the applicant’s procedure for transportation of cannabis goods, including whether or not the applicant will be transporting cannabis goods or contracting for transportation services.
(B) Inventory Procedures, Form BCC-LIC-016 (New 7/18)

(i) A description of the applicant’s procedure for receiving shipments of inventory.

(ii) Where the applicant’s inventory will be stored on the premises and how records of the inventory will be maintained.

(iii) The applicant’s procedure for performing inventory reconciliation and for ensuring that inventory records are accurate.

(C) Non-Laboratory Quality Control Procedures, Form BCC-LIC-017 (New 7/18)

§ 5003. Designation of Owner

(a) All applicants for a commercial cannabis license shall have at a minimum one individual who meets the definition of “owner” under Business and Professions Code section 26001(a) and who will submit the information required of owners under section 5002.

(b) “Owner” means any of the following:

(1) A person with an aggregate ownership interest of 20 percent or more in the person applying for a license or a licensee, unless the interest is solely a security, lien, or encumbrance.

(2) The chief executive officer of a nonprofit or other entity.

(3) A member of the board of directors of a nonprofit.

(4) The trustee(s) and all persons who have control of the trust and/or the commercial cannabis business that is held in trust.

(5) An individual who will be participating in the direction, control, or management of the person applying for a license. Such an individual includes any of the following:

(A) A general partner of a commercial cannabis business that is organized as a partnership.

(B) A non-member manager or managing member of a commercial cannabis business that is organized as a limited liability company.

(C) An officer or director of a commercial cannabis business that is organized as a corporation.
(D) Any individual who assumes responsibility for the license.

(c) When an entity has an aggregate ownership interest of 20 percent or more in the commercial cannabis business, then the chief executive officer and/or members of the board of directors of the entity shall be considered owners.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26001, and 26012 and 26013, Business and Professions Code.

§ 5004. Financial Interest in a Commercial Cannabis Business

(a) A financial interest means an agreement to receive a portion of the profits of a commercial cannabis business, an investment into a commercial cannabis business, a loan provided to a commercial cannabis business, or any other equity interest in a commercial cannabis business except as provided in subsection (c). For the purpose of this section, an interest in a diversified mutual fund, blind trust, or similar instrument is not a financial interest.

(b) The license application shall include the name, birthdate, and government-issued identification type and number for all individuals who have a financial interest in a commercial cannabis business but are not owners as defined in Business and Professions Code section 26001(a), 5003(b) of this division. These individuals shall not be required to submit the information required of owners under section 5002(c)(20) of this division.

(c) Notwithstanding subsection (b), the following persons are not required to be listed on an application for licensure under section 5002(c)(19) of this division:

(1) A bank or financial institution whose interest constitutes a loan;

(2) Persons whose only financial interest in the commercial cannabis business is through an interest in a diversified mutual fund, blind trust, or similar instrument;

(3) Persons whose only financial interest is a security interest, lien, or encumbrance on property that will be used by the commercial cannabis business; and

(4) Persons who hold a share of stock that is less than 5 percent of the total shares in a publicly traded company.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012 and 26051.5, Business and Professions Code.

§ 5005. Personnel Prohibited from Holding Licenses

(a) A license authorized by the Act and issued by the Bureau may not be held by, or issued to, any person holding office in, or employed by, any agency of the State of California or any of its political subdivisions when the duties of such person have to do with the enforcement of the Act or any other penal provisions of law of this State prohibiting or regulating the sale, use, possession, transportation, distribution, testing, manufacturing, or cultivation of cannabis goods.
(b) This section applies to, but is not limited to, any person employed in the State of California Department of Justice as a peace officer, in any district attorney's office, in any city attorney’s office, in any sheriff’s office, or in any local police department.

(c) No person listed in subsection (a) or (b) of this section may have any ownership interest, directly or indirectly, in any business to be operated or conducted under a cannabis license.

(d) This section does not apply to any person who holds a license in the capacity of executor, administrator, or guardian.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012, Business and Professions Code.

§ 5006. Premises Diagram

(a) An applicant shall submit to the Bureau, with the application, a complete and detailed diagram of the proposed premises. The diagram shall be used by the Bureau to determine whether the premises meets the requirements under this division and the Act. The Bureau shall deny an application if the premises does not qualify for licensure pursuant to Business and Professions Code section 26057.

(b) The diagram shall show the boundaries of the property and the proposed premises to be licensed, showing all boundaries, dimensions, entrances and exits, interior partitions, walls, rooms, windows, and doorways, and shall include a brief statement or description of the principal activity to be conducted therein.

(c) The diagram shall show and identify commercial cannabis activities that will take place in each area of the premises, and identify limited-access areas. Commercial cannabis activities that shall be identified on the diagram include the following, if applicable to the business operations: storage, batch sampling, loading or unloading of shipments, packaging and labeling, customer sales, loading for deliveries, extraction, cultivation, and processing.

(d) The diagram shall show where all cameras are located and assign a number to each camera for identification purposes.

(e) The diagram shall be to scale.

(f) The diagram shall not contain any highlighting and the markings on the diagram shall be in black-and-white print.

(g) If the proposed premises consists of only a portion of a property, the diagram must be labeled indicating which part of the property is the proposed premises and what the remaining property is used for.

(h) If the proposed premises consists of only a portion of a property that will contain two or more licensed premises, the diagram shall clearly show the designated entrances and walls under the exclusive control of the applicant for the premises, as well as the designated entrances and walls for each additional premises. The diagram shall also show all proposed common or shared areas of the property. Such areas may include lobbies, bathrooms, hallways, and breakrooms.
(i) If the proposed premises will be a microbusiness that includes cultivation activities, in addition to the requirements of subsections (b) through (g) of this section, the premises diagram shall also include all the required information for a premises diagram under section 5501(d) of this division.

(j) If a proposed premises is located on only a portion of a property that also includes a residence, the diagram shall clearly show the designated buildings for the premises and the residence.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26051.5, Business and Professions Code.

§ 5007. Landowner Approval

(a) If the applicant is not the landowner of the real property upon which the premises is located, the applicant shall provide to the Bureau a document from the landowner or the landowner’s agent that states that the applicant has the right to occupy the property and acknowledges that the applicant may use the property for the commercial cannabis activity for which the applicant is applying for licensure. An applicant shall also provide a copy of the rental agreement, as applicable.

(b) If the applicant is the landowner of the real property upon which the premises is located, the applicant shall provide to the Bureau a copy of the title or deed to the property.

(c) If the landowner is a trust, the landowner approval shall come from the person that holds equitable title in the real property.

Authority: Section 26013, Business and Professions Code. Reference: Section 26051.5, Business and Professions Code.

§ 5007.1. Electronic Signature

The Bureau will accept an electronic signature that complies with Civil Code section 1633.2(h) on any documents required to be submitted to the Bureau and that are submitted electronically, except documents that are required to be notarized.

Authority: Section 26013, Business and Professions Code. Reference: Section 26013, Business and Professions Code.

§ 5008. Bond

An applicant shall provide proof of having obtained a surety bond of at least $5,000 payable to the State of California to ensure payment of the cost incurred for the destruction of cannabis goods necessitated by a violation of the Act or the regulations adopted thereunder. All bonds required under this regulation must be issued by a corporate surety licensed to transact surety business in the State of California and shall be issued on the Commercial Cannabis Licensee Bond form under Title 11, California Code of Regulations, Article 56, section 118.1.

Authority: Section 26013, Business and Professions Code. Reference: Section 26051.5, Business and Professions Code.
§ 5009. Limited Waiver of Sovereign Immunity

(a) Any applicant or licensee that may fall within the scope of sovereign immunity that may be asserted by a federally recognized tribe or other sovereign entity must waive any sovereign immunity defense that the applicant or licensee may have, may be asserted on its behalf, or may otherwise be asserted in any state administrative or judicial enforcement actions against the applicant or licensee, regardless of the form of relief sought, whether monetary or otherwise, under the state laws and regulations governing commercial cannabis activity. The applicant or licensee must submit a written waiver of sovereign immunity to the Bureau with any license application or renewal, which is valid for the period of the license. The written waiver shall include that the applicant or licensee has the lawful authority to enter into the waiver required by this section, the applicant or licensee hereby waives sovereign immunity, and the applicant or licensee agrees to do all of the following:

(1) Provide documentation to the Bureau that establishes that the applicant or licensee has the lawful authority to enter into the waiver required by this section;

(2) Conduct all commercial cannabis activity in full compliance with the state laws and regulations governing commercial cannabis activity, including submission to all enforcement provisions thereof;

(3) Allow access as required by state statute or regulation by persons or entities charged with duties under the state laws and regulations governing commercial cannabis activity to any licensed premises or property at which the applicant conducts any commercial cannabis activity, including licensed premises or property where records of commercial cannabis activity are maintained by or for the applicant or licensee;

(4) Provide any and all records, reports, and other documents as may be required under the state laws and regulations governing commercial cannabis activity;

(5) Conduct commercial cannabis activity with other state commercial cannabis licensees only, unless otherwise specified by state law;

(6) Meet all of the requirements for licensure under the state laws and regulations governing the conduct of commercial cannabis activity, and provide truthful and accurate documentation and other information of the applicant’s qualifications and suitability for licensure as may be requested; and

(7) Submit to the personal and subject matter jurisdiction of the California courts to address any matter related to the waiver or the commercial cannabis application, license, or activity, and that all such matters and proceedings shall be governed, construed and enforced in accordance with California substantive and procedural law, including but not limited to the Medicinal and Adult-Use Regulation and Safety Act and the Administrative Procedure Act.

(b) The Bureau shall not approve an application for a state license if approval of the license would violate the provisions of any local ordinance or regulation adopted in accordance with Business and Professions Code section 26200 that is issued by the county or, if within a city, the city, within which the licensed premises is to be located.
(c) Any applicant or licensee must immediately notify the Bureau of any changes that may materially affect the applicant or licensee’s compliance with subsection (a) of this section.

(d) Any failure by an applicant or licensee to comply with the requirements of subsections (b) or (c) of this section shall be a basis for denial of an application or renewal or discipline of a licensee.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26050 and 26051.5, Business and Professions Code.

§ 5010. Compliance with the California Environmental Quality Act (CEQA)

(a) All applicants shall provide evidence of exemption from, or compliance For purposes of complying with Division 13 of the Public Resources Code, California Environmental Quality Act (CEQA), as required by section 5002(c)(33) of this division:

(b) The evidence provided pursuant to subsection (a) of this section shall be one of (1) “Project” means the following:

1. A copy of the applicant’s license, permit, or other authorization from the local jurisdiction if the local jurisdiction has adopted an ordinance, rule, or regulation pursuant to Business and Professions Code section 26055(h) that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity or activities for which an annual license application is submitted to the Bureau and which requires the Bureau to engage in discretionary review.

2. A copy of the Notice of Determination or Notice of Exemption and a copy of the CEQA document, or reference to where it can be located electronically, if the applicant does not wish to provide a copy of the license, permit, or other authorization provided by the local jurisdiction or if the local jurisdiction has not adopted an ordinance, rule, or regulation pursuant to Business and Professions Code section 26055(h) that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity “CEQA Guidelines” means the Guidelines for Implementation of the California Environmental Quality Act codified at Title 14, California Code of Regulations, sections 15000 et seq.

(c) If “Environmental document” has the same meaning as section 15361 of the CEQA Guidelines. Environmental documents are prepared by the applicant or the local jurisdiction that analyze the commercial cannabis activity or activities and which assess whether the project has the potential to generate significant adverse environmental impacts.

(b) An applicant does not have the evidence specified in subsection (b) of this section, or if the local jurisdiction did not prepare a CEQA document, the applicant will be responsible for the preparation of an environmental document in—may provide evidence of compliance with CEQA that can be approved or by submitting a copy of an environmental document previously certified or adopted by the Bureau/local jurisdiction that evaluated the project.

(c) If a previously certified or adopted environmental document is not available or does not exist, and if the Bureau does not determine that the project is exempt from CEQA as provided in
section 5010.2 of this division, the applicant shall provide information to enable the Bureau to determine what type of environmental document should be prepared. Such information shall include at least the following:

(1) The project location and surrounding land use, which shall:

(A) Describe the project location including street address, city, county, Assessor’s Parcel Number, major cross streets, general plan designation, zoning designation, and any other physical description that clearly indicates the project site location;

(B) Describe the surrounding land uses and zoning designations within one-half mile radius of the project and list of all abutting land uses;

(C) Include a vicinity map and aerial image to show the project location;

(D) Include photographs, not larger than 8 ½ by 11 inches, of the existing visual conditions as observed from the publicly accessible vantage point(s);

(2) A project description, which shall:

(A) Describe the activities included in the project application and identify any other commercial cannabis activity or activities occurring at the proposed premises;

(B) Quantify the project size (total floor area of the project) in square feet and the lot size on which the project is located, in square feet;

(C) List and describe any other related public agency permits and approvals, including any entitlements, required for this project, including those required by a planning commission, local air district, or regional water board;

(D) Identify whether the applicant is licensed by, or has applied for licensure from, the California Department of Food and Agriculture or the State Department of Public Health to engage in commercial cannabis activity at the proposed premises;

(E) Estimate the number of anticipated employees onsite, occupancy during operating hours, frequency of deliveries or shipments originating from and/or arriving to the project site, describe the anticipated transportation activity at the project site including the effects of the project related to public transit, bicycle, or pedestrian facilities;

(F) Identify the location, type, and quantity of hazardous materials, as defined by Health and Safety Code section 25260, that are stored, used, or disposed of at the project site and a copy of the Hazardous Material Business Plan (HMBP) prepared for the proposed premises, if any;

(G) Discuss whether the project will increase the quantity and type of solid waste, as defined by Public Resources Code section 40191, or hazardous waste, as defined by Health and Safety Code section 25117, that is generated or stored onsite.
(H) Describe the project’s anticipated operational energy needs, identify the source of energy supplied for the project and the anticipated amount of energy per day, and explain whether the project will require an increase in energy demand and the need for additional energy resources.

(3) The Bureau shall consider, for purposes of evaluating compliance with the CEQA, both the individual and cumulative impacts of all commercial cannabis activities occurring at the proposed premises.

Authority: Section 26013, Business and Professions Code. Reference: Section 26055, Business and Professions Code.

§ 5010.1. Review of Previously Prepared Environmental Documents Pursuant to CEQA

(a) When the project has been evaluated in a previously certified or adopted environmental document, the Bureau will evaluate the project as a responsible agency as provided in section 15096 of the CEQA Guidelines.

(b) The Bureau may require subsequent environmental review if one or more of the events outlined in Public Resources Code section 21166 or section 15162 of the CEQA Guidelines occur.

Authority: Section 26013, Business and Professions Code. Reference: Section 26055, Business and Professions Code; Section 21166, Public Resources Code.

§ 5010.2 CEQA Exempt Projects.

(a) An applicant may submit documentation to the Bureau demonstrating that the project is exempt from further environmental review pursuant to CEQA because the project falls within a class of projects determined not to have significant effect on the environment.

(b) Documentation submitted to the Bureau in support of a determination that the project is exempt from further environmental review under CEQA shall, at minimum, include the following information:

(1) Project location and surrounding land use, as required in section 5010 of this division;

(2) Project description as required in section 5010 of this division; and

(3) A written justification to support a determination that the project is categorically exempt. The written justification shall list the category and class the exemption falls under and shall explain how the project fits the specified exemption. The justification shall also demonstrate that none of the exceptions to categorical exemptions described in section 15300.2 of the CEQA Guidelines apply to the project.

(c) Upon review, if the Bureau determines that the project is exempt from further CEQA review, and approves an application for annual licensure, the Bureau will file a Notice of Exemption with the State Clearinghouse within five working days after approval of the project as required by section 15062(c) of the CEQA Guidelines.
§ 5010.3 Preparation of CEQA Environmental Documents by Applicant

If the Bureau determines that a project does not qualify for an exemption, or that the circumstances described in Public Resources Code section 21166 and 15162 of the CEQA Guidelines require subsequent environmental review, the Bureau may charge the applicant for the costs of preparation for any supplemental environmental document as well as the Bureau’s costs for procedures to comply with CEQA, unless the Bureau specifies otherwise.

Authority: Section 26013, Business and Professions Code. Reference: Section 26055, Business and Professions Code.

§ 5011. Additional Information

The Bureau may request additional information and documents from the applicant. The Bureau will provide the applicant a deadline for submittal of additional information. The Bureau will consider the complexity of the information requested and the ease with which the information can be obtained and transmitted to the Bureau by the applicant in determining the deadline.

§ 5012. Incomplete Applications

(a) If the Bureau determines that the application is incomplete, the Bureau may provide notice to the applicant in accordance with Business and Professions Code section 124.

(b) If the Bureau issues a notice pursuant to Business and Professions Code section 124, an applicant has one year from the date of the notice in subsection (a) of this section to correct all deficiencies. If the applicant fails to correct the deficiencies within the one-year period and has not responded to the Bureau’s attempts to contact the applicant, the application shall be considered abandoned under Business and Professions Code section 142.

(c) An applicant may reapply at any time following an abandoned application.

(d) The Bureau will not refund application fees for an incomplete or abandoned application.

Authority: Section 26013, Business and Professions Code. Reference: Sections 124, 142, 26050 and 26051.5, Business and Professions Code.

§ 5013. Withdrawal of Application

(a) An applicant may withdraw an application at any time prior to the Bureau’s issuance of a license or denial of a license.

(b) Requests to withdraw an application must be submitted to the Bureau in writing, dated, and signed by the applicant.

Authority: Section 26013, Business and Professions Code. Reference: Sections 124, 142, 26050 and 26051.5, Business and Professions Code.
(c) In accordance with Business and Professions Code section 118, withdrawal of an application shall not, unless the Bureau has consented in writing to such withdrawal, deprive the Bureau of its authority to institute or continue a proceeding against the applicant for the denial of the license upon any ground provided by law or to enter an order denying the license upon any such ground.

(d) The Bureau will not refund application fees for a withdrawn application.

(e) An applicant may reapply at any time following the withdrawal of an application and will be required to submit a new application and fee.

Authority: Section 26013, Business and Professions Code. Reference: Sections 118 and 26050, Business and Professions Code.

### Article 3. Licensing

#### § 5014. Fees

(a) The application fee for an annual license under section 5002 of this division, a cannabis event organizer license under section 5600 of this division, a temporary cannabis event license under section 5601 of this division for each event, and physical modification of the premises under section 5027 of this division shall be paid by an applicant or licensee as provided by this division. Applicants and licensees shall pay the appropriate fee as outlined in this section.

§ 5015. Payment of Fees

(a) Any fee specified in this division shall be made to the Bureau of Cannabis Control by cash, check, money order, debit card, or credit card. Check and money order payments may be made out to the Bureau of Cannabis Control or the Department of Consumer Affairs.

(b) If the fee is paid by debit or credit card:

(1) The payment shall be made through the Bureau’s online licensing system; and

(2) The applicant or licensee may be required to pay any associated processing or convenience fees to the third-party vendor processing the payment on behalf of the Bureau.

(c) Failure to pay the appropriate licensing fee is grounds for discipline. If the Bureau determines that the licensee paid an amount less than the appropriate licensing fee under section 5014 of this division, the licensee will be required to pay the balance of the appropriate fee and a penalty fee of 50 percent of the appropriate licensing fee. The Bureau in its discretion may waive the penalty fee.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26051.5 and 26180, Business and Professions Code.

§ 5016. Priority Licensing

(a) Priority licensing is available for annual licenses only, and is not applicable to any temporary or cannabis event organizer license.

(b) To be eligible for priority licensing, an applicant must be able to demonstrate that the applicant operated in compliance with the Compassionate Use Act of 1996 and its implementing laws before September 1, 2016. Eligibility for priority licensing shall be established by one of the following methods:

(1) The applicant is included on the list provided to the Bureau by the local jurisdiction in response to the Bureau’s request required by Business and Professions Code section 26054.2.

(2) If the local jurisdiction does not provide a list to the Bureau or the applicant’s name does not appear on the list provided to the Bureau, the applicant shall provide to the Bureau evidence of operation in compliance with the Compassionate Use Act of 1996. Such evidence shall be in the form of a document issued or signed by the applicant’s local jurisdiction that contains the following:
(A) Name of the applicant;

(B) Address of the premises to be licensed;

(C) License type(s) that the applicant is applying to the Bureau for;

(D) Name of the local jurisdiction;

(E) Name of the local jurisdiction office that is responsible for enforcing compliance with the Compassionate Use Act of 1996;

(F) Name and contact information for the person authorized by the local jurisdiction to sign on its behalf;

(G) Signature of the person authorized to sign on behalf of the local jurisdiction; and

(H) A statement to the effect of: “The above-named party is currently conducting commercial cannabis activity in this jurisdiction and has been operating in compliance with the Compassionate Use Act of 1996 since before September 1, 2016.”

(c) The Bureau shall not provide priority licensing pursuant to this section after December 31, 2019.

§ 5017. Substantially Related Offenses and Criteria for Rehabilitation

(a) For the purpose of license denial, convictions that are substantially related to the qualifications, functions, or duties of the business for which the application is made include:

(1) A violent felony conviction, as specified in subdivision (c) of Penal Code section 667.5 of the Penal Code.

(2) A serious felony conviction, as specified in subdivision (c) of Penal Code section 1192.7 of the Penal Code.

(3) A felony conviction involving fraud, deceit, or embezzlement.

(4) A felony conviction for hiring, employing, or using a minor in transporting, carrying, selling, giving away, preparing for sale, or peddling, any controlled substance to a minor; or selling, offering to sell, furnishing, offering to furnish, administering, or giving any controlled substance to a minor.

(5) A felony conviction for drug trafficking with enhancements pursuant to Health and Safety Code section 11370.4 or 11379.8.

(b) Except as provided in subsections (a)(4) and (a)(5) of this section and notwithstanding Chapter 2 (commencing with Section 480) of Division 1.5 of the Business and Professions Code, a prior conviction, where the sentence, including any term of probation, incarceration, or supervised release, is completed, for possession of, possession for sale, sale,
manufacture, transportation, or cultivation of a controlled substance is not considered substantially related, and shall not be the sole ground for denial of a license. Conviction for any controlled substance felony subsequent to licensure shall be grounds for revocation of a license or denial of the renewal of a license.

(c) When evaluating whether an applicant who has been convicted of a criminal offense that is substantially related to the qualifications, functions, or duties of the business for which the application is made should be issued a license, the Bureau shall consider the following criteria of rehabilitation:

(1) The nature and severity of the act or offense;

(2) Whether the person has a felony conviction based on possession or use of cannabis or cannabis products that would not be a felony if the person was convicted of the offense on the date of the person’s application;

(3) The applicant’s criminal record as a whole;

(4) Evidence of any act committed subsequent to the act or offense under consideration that could be considered grounds for denial, suspension, or revocation of a commercial cannabis activity license;

(5) The time that has elapsed since commission of the act or offense;

(6) The extent to which the applicant has complied with any terms of parole, probation, restitution, or any other sanctions lawfully imposed against the applicant;

(7) If applicable, evidence of dismissal under Penal Code sections 1203.4, 1203.4(a), 1203.41 or another state’s similar law;

(8) If applicable, a certificate of rehabilitation obtained under Penal Code section 4852.01 or another state’s similar law; and

(9) Other evidence of rehabilitation submitted by the applicant.

(d) If an applicant has been denied a license based on a conviction, the applicant may request a hearing pursuant to Business and Professions Code section 26058 to determine if the applicant should be issued a license.

Authority: Section 26013, Business and Professions Code. Reference: Sections 482, 26012, and 26057, Business and Professions Code.

§ 5018. Additional Grounds for Denial of a License

In addition to the reasons for denial in Business and Professions Code section 26057, a license may be denied for the following reasons:

(a) The applicant’s proposed premises does not fully comply with standards set in regulation.

(b) The applicant’s proposed or licensed premises is substantially different from the diagram of the proposed premises submitted by the applicant, in that the size, layout, location of common
entryways, doorways, or passage ways, means of public entry or exit, or identification of limited-access areas within the licensed premises is not the same.

(c) The applicant denied the Bureau access to the licensed premises.

(d) The applicant made a material misrepresentation on the application.

(e) The applicant did not correct the deficiencies within the application in accordance with sections 5002 and 5012 of this division.

(f) The applicant has been denied a license, permit, or other authorization to engage in commercial cannabis activity by a state or local licensing authority.

(g) The applicant’s proposed premises is not in compliance with Division 13 (commencing with Section 21000) of the Public Resources Code.

(h) The applicant has failed to remit taxes as required under the Revenue and Taxation Code.

(i) The applicant may be denied a license for any violations of law related to the operations of the commercial cannabis business or for any violations of law related to licensure.

§ 5019. Excessive Concentration

(a) In determining whether to grant, deny, or renew a license for a retail license or microbusiness license, the Bureau shall consider if an excessive concentration exists in the area where the licensee will operate. For the purposes of this section “excessive concentration” applies when either of the following conditions exist:

(1) The ratio of licensees to population within the census tract or census division in which the applicant premises is located exceeds the ratio of licensees to population in the county in which the applicant premises is located, unless denial of the application would unduly limit the development of the legal market so as to perpetuate the illegal market for cannabis or cannabis products.

(2) The ratio of retail licenses or microbusiness licenses to the population within the census tract, census division, or jurisdiction exceeds that allowable by local ordinance adopted under Business and Professions Code section 26200.

(b) “Population Within the Census Tract or Census Division” as used in this section means the population as determined by the most recent United States decennial or special census. Such population determination shall not operate to prevent an applicant from establishing that an increase of resident population has occurred within the census tract or census division.

(c) “Population in the County” as used in this section shall be determined by the most recent annual population estimate for California counties published by the Demographic Research Unit, State Department of Finance.
(d) Beginning July 1, 2018, the Bureau shall calculate the ratios described in subsection (a) of this section once every six months using the most current available data. The Bureau’s consideration of whether to grant, deny, or renew a license shall be based upon the most recent ratio calculated by the Bureau on the date of the Bureau’s decision.

(e) The existence of an excessive concentration shall not be considered in determining whether to grant, deny, or extend a temporary license under Business and Professions Code section 26050.1.

(f) The applicant may provide reliable evidence establishing, to the satisfaction of the Bureau, that a denial of a license would unduly limit the development of the legal market so as to perpetuate the illegal market for cannabis and cannabis products.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26051, Business and Professions Code

§ 5020. Renewal of License

(a) To timely renew a license, a completed license renewal form and annual license fee pursuant to section 5014 of this division shall be received by the Bureau from the licensee no earlier than 60 calendar days before the expiration of the license and no later than 5:00 p.m. Pacific Time on the last business day before the expiration of the license if the renewal form is submitted to the Bureau at its office(s), or no later than 11:59 p.m. on the last business day before the expiration of the license if the renewal form is submitted to the Bureau through its electronic licensing system. Failure to receive a notice for license renewal does not relieve a licensee of the obligation to renew all licenses as required.

(b) In the event the license is not renewed prior to the expiration date, the licensee must not sell, transfer, transport, manufacture, test, or distribute any commercial cannabis goods until the license is renewed.

(c) A licensee may submit a license renewal form up to 30 calendar days after the license expires. Any late renewal form will be subject to a late fee equal to 50 percent of the applicable licensing fee required by subsection (a) of this section.

(d) The license renewal form shall contain the following:

(1) The name of the licensee. For licensees who are individuals, the applicant shall provide both the first and last name of the individual. For licensees who are business entities, the licensee shall provide the legal business name of the applicant.

(2) The license number and expiration date.

(3) The licensee’s address of record and licensed premises address.

(4) Documentation demonstrating the maximum dollar value of the licensee’s operation for the current licensed period, such as a copy of the licensee’s state tax return filed with the California Department of Tax and Fee Administration.
(5) An attestation that all information provided to the Bureau in the original application under section 5002 of this division or subsequent notification under sections 5023 and 5024 of this division is accurate and current.

(56) A limited waiver of sovereign immunity pursuant to section 5009 of this division.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26050, Business and Professions Code.

§ 5021. Denial of License

(a) The Bureau may deny an application for a new license or a renewal of a license for any reason specified in section 26057 of the Business and Professions Code, section 26057 and on any additional grounds including grounds for denial under section 5018 of this division, and grounds for discipline under the Act or this division.

(b) Upon denial of an application for a license or renewal of a license, the Bureau shall notify the applicant in writing of the reasons for denial, and the right to a hearing to contest the denial.

(c) The applicant may request a hearing to contest the denial by submitting a written request to the Bureau.

(1) The written request for a hearing must be postmarked within 30 calendar days of service of the notification of denial.

(2) If the written request for a hearing is not received within the required timeframe, the applicant’s right to a hearing is waived.

(3) Upon timely receipt of the written request for hearing, the Bureau shall set a date for hearing to be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code.

Authority: Section 26013, Business and Professions Code; Reference: Sections 26012 and 26057 and 26058, Business and Professions Code.

§ 5022. Surrender and Cancellation of License

(a) Every licensee who surrenders, abandons, or quits the licensed premises, or who closes the licensed premises for a period exceeding 30 consecutive calendar days, shall request in writing that the Bureau cancel the license, within 10 business days after closing, surrendering, quitting, or abandoning the licensed premises, surrender the license certificate to the Bureau. The Bureau may revoke the license certificate of a licensee who fails to comply with the surrender provisions of this section. Upon cancellation or revocation of the license, the licensee shall not display and shall destroy the license certificate.

(b) The Bureau may cancel a license at any time upon request by the licensee if there are no outstanding fines or fees due to the Bureau and no disciplinary action is pending.
(c) If a licensee must close the licensed premises for a period exceeding 30 consecutive calendar days to revoke the license or licenses due to make renovations or repairs, the Bureau may allow the licensee to retain the license if the licensee complies with section 5027 of this division.

(b) A person whose license has been surrendered, cancelled or revoked pursuant to subsection (a) of this section may submit to the Bureau a written request for the license to be returned or reinstated. Any request shall be submitted to the Bureau prior to the expiration of the date listed on the surrendered, cancelled or revoked license. The written request shall specify the reason the license was surrendered, licenses failed to comply with subsection (a) of this section and why the license should be returned or reinstated. The Bureau in its discretion may return or reinstate the license.

(c) The Bureau may cancel the license or licenses of a licensee upon request by the licensee.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26050, Business and Professions Code.

§ 5023. Business Modifications

Business modifications for any item contained in the application shall be made in accordance with the following:

(a) Changes to standard operating procedures may be made without providing notification to the Bureau. Licensees shall maintain a copy of all current and prior operating procedures as required by section 5037 of this division.

(b) If at the time of licensure, a licensee employed less than 20 employees and later employs 20 or more employees, the licensee shall provide to the Bureau a document attesting that the licensee has entered into a labor peace agreement and will abide by the terms of the agreement, as soon as reasonably practicable once employing 20 or more employees. Once the licensee has entered into the labor peace agreement, the licensee shall provide the Bureau with a copy of the page of the labor peace agreement that contains the signatures of the union representative and the applicant.

(c) Licenses are not transferrable. Changes in ownership shall be made in accordance with the following:

(1) If one or more of the owners of a license change, a new license application and fee shall be submitted to the Bureau within 10 business days of the effective date of the ownership change. The business may continue to operate under the active license while the Bureau reviews the application if at least one owner is not transferring his or her ownership interest and will remain as an owner under the new license and ownership structure. If all owners will be transferring their ownership interest, the business shall not operate under the new ownership structure until the new license application has been approved by the Bureau.

(A) A change in ownership occurs when a new person meets the definition of owner in section 5003 of this division.

(B) A change in ownership does not occur when one or more owners leave the business by transferring their ownership interest to the other existing owner(s).

(b) A licensee shall ensure a licensed alarm company operator or one or more of its registered alarm agents installs, maintains, monitors, and responds to the alarm system.

(c) Upon request, a licensee shall make available to the Bureau all information related to the alarm system, monitoring, and alarm activity.
(d) If multiple licensed premises are contained within the same building, a single alarm system covering the entire building may be used by all of the licensees under the following conditions:

(1) Each licensee shall include in their security operating procedures, submitted with the application pursuant to section 5002(c)(29)(D) of this division, an explanation of how the alarm system will be shared, including who is responsible for contracting with the alarm company.

(2) All licensees shall have access to and be able to provide the information under subsection (c) of this section.

(3) All licensees shall be held responsible and subject to discipline for any violations of the alarm system requirements.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070, Business and Professions Code.

Article 6. Track and Trace Requirements

§ 5048. Track and Trace System

(a) A licensee shall create and maintain an active and functional account within the track and trace system prior to engaging in any commercial cannabis activity, including the purchase, sale, test, packaging, transfer, transport, return, destruction, or disposal, of any cannabis goods.

(b) A licensee shall designate one individual owner as the track and trace system account manager. The account manager may authorize additional owners or employees as track and trace system users and shall ensure that each user is trained on the track and trace system prior to its access or use.

(1) The account manager shall attend and successfully complete all required track and trace system training, including any orientation and continuing education.

(2) If the account manager did not complete the required track and trace system training prior to receiving their annual license, the account manager shall sign up for and complete state mandated training, as prescribed by the Bureau, within five business days of license issuance.

(c) The account manager and each user shall be assigned a unique log-on, consisting of a username and password. The account manager or each user accessing the track and trace system shall only do so under his or her assigned log-on, and shall not use or access a log-on of any other individual. No account manager or user shall share or transfer his or her log-on, username, or password, to be used by any other individual for any reason.

(d) The account manager shall maintain a complete, accurate, and up-to-date list of all track and trace system users, consisting of their full names and usernames.

(e) A licensee shall monitor all compliance notifications from the track and trace system, and timely resolve the issues detailed in the compliance notification.
(1) A licensee shall keep a record, independent of the track and trace system, of all compliance notifications received from the track and trace system, and how and when compliance was achieved.

(2) If a licensee is unable to resolve a compliance notification within three business days of receiving the notification, the licensee shall notify the Bureau immediately.

(f) A licensee is accountable for all actions its owners or employees take while logged into or using the track and trace system, or otherwise while conducting track and trace activities.

§ 5049. Track and Trace Reporting

(a) A licensee shall record in the track and trace system all commercial cannabis activity, including:

(6) If the cannabis goods are being transported:

(A) The licensee shall transport pursuant to a shipping manifest generated through the track and trace system, that includes items (1) through (5) of this subsection, as well as:
(i) The name, license number, and premises address of the originating licensee.

(ii) The name, license number, and licensed premises address of the licensee transporting the cannabis goods.

(iii) The name, license number, and licensed premises address of the destination licensee receiving the cannabis goods into inventory or storage.

(iv) The date and time of departure from the licensed premises and approximate date and time of departure from each subsequent licensed premises, if any.

(v) Arrival date and estimated time of arrival at each licensed premises.

(vi) Driver license number of the personnel transporting the cannabis goods, and the make, model, and license plate number of the vehicle used for transport.

(B) Upon pick-up or receipt of cannabis goods for transport, storage, or inventory, a licensee shall ensure that the cannabis goods received are as described in the shipping manifest, and shall record acceptance and acknowledgment of the cannabis goods in the track and trace system.

(C) If there are any discrepancies between the type or quantity specified in the shipping manifest and the type or quantity received by the licensee, the licensee shall record and document the discrepancy in the track and trace system and in any relevant business record.

(7) If cannabis goods are being destroyed or disposed of, the licensee shall record in the track and trace system the following additional information:

(A) The name of the employee performing the destruction or disposal.

(B) The reason for destruction or disposal.

(C) The name of the entity being used to collect and process cannabis waste, pursuant to section 5055 of this division.

(8) Description for any adjustments made in the track and trace system, including, but not limited to:

(A) Spoilage or fouling of the cannabis goods.

(B) Any event resulting in exposure or compromise of the cannabis goods.

(9) Any other information as required pursuant to this division, or by any other applicable licensing authorities.

(c) Unless otherwise specified, all transactions must be entered into the track and trace system within 24 hours of occurrence.

(d) Licensees shall only enter and record complete and accurate information into the track and trace system, and shall correct any known errors entered into the track and trace system immediately upon discovery.
§ 5050. Loss of Access

(a) If at any point a licensee loses access to the track and trace system for any reason, the licensee shall prepare and maintain comprehensive records detailing all commercial cannabis activities that were conducted during the loss of access.

(b) The licensee shall both document and notify the Bureau immediately:

(1) When access to the system is lost;
(2) When access to the system is restored; and
(3) The cause for the loss of access.

(c) Once access is restored, all commercial cannabis activity that occurred during the loss of access shall be entered into the track and trace system within three business days of access being restored.

(d) A licensee shall not transport, transfer, receive, or deliver any cannabis goods until such time as access is restored and all information recorded in the track and trace system.

§ 5051. Track and Trace System Reconciliation

(a) In addition to other inventory reconciliation requirements under this division, a licensee shall reconcile the physical inventory of cannabis goods at the licensed premises with the records in the track and trace database at least once every 14 calendar days.

(b) If a licensee finds a discrepancy between its physical inventory and the track and trace system database, the licensee shall conduct an audit, and notify the Bureau of any reportable activity pursuant to section 5036 of this division.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26067, 26070, and 26160 and 26161, Business and Professions Code.

§ 5052. Temporary Licenses; Licensees in Operation at Time of Licensure

(a) A licensee operating under a temporary license issued pursuant to section 5001 of this division is not required to record commercial cannabis activity in the track and trace system as otherwise required by this article.
(b) Temporary licensees shall track and record all cannabis commercial activities and information required pursuant to this division and any other provision of law, at a minimum, on paper receipts, invoices, or manifests.

(c) Any commercial cannabis activity conducted between annual license holders shall be recorded in the track and trace system.

(d) Any licensee in operation at the time the annual license is issued shall enter all inventory into the track and trace system no later than 30 calendar days after the track and trace system account manager attends the training required pursuant to section 5048 of this division.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26050.1, 26067, 26070, and 26160 and 26161, Business and Professions Code.

Article 7. Returns and Destruction

§ 5052.1. Acceptance of Shipments

(a) Licensees shall accept or reject in whole shipments of cannabis goods.

(b) Notwithstanding subsection (a) of this section, if a licensee receives a shipment containing cannabis goods that differ from those listed on the sales invoice or receipt, the licensee shall reject the portion of the shipment that is not accurately reflected on the sales invoice or receipt.

§ 5053. Returns Between Licensees

(a) If a licensee discovers that a manufactured cannabis good that was purchased from another licensee is defective, the purchasing licensee may return the cannabis good to the selling licensee only in exchange for a non-defective version of the same type of cannabis good or in exchange for a cannabis good of equal value.

(b) Except as provided in subsection (a) of this section, a licensee shall not return cannabis goods purchased from another licensee.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26013 and 26070, Business and Professions Code.

§ 5054. Destruction of Cannabis Products Prior to Disposal

(a) Licensees shall not dispose of cannabis goods, unless disposed of as cannabis waste, defined under section 5000(e) of this division.

§5303.1. Net Weight of Dried Flower

For purposes of this division, the net weight on any package of dried flower shall not be considered inaccurate if the actual weight is within plus or minus 2.5% of the labeled weight.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26013 and 26120, Business and Professions Code
§ 5304. Testing Arrangements

After taking physical possession of a cannabis goods batch, the licensed distributor shall contact a testing laboratory and arrange for a laboratory employee to come to the licensed distributor’s licensed premises to select a representative sample for laboratory testing.

§ 5305. Testing Sample

(a) The licensed distributor shall ensure that the batch size from which the sample is taken meets the requirements of this division.

(b) A licensed distributor or an employee of the licensed distributor shall be physically present to observe the laboratory employee obtain the sample of cannabis goods for testing and shall ensure that the increments are taken from throughout the batch.

(c) The sampling shall be video recorded with the batch number stated verbally or in writing on the video at the beginning of the video and a visible time and date indication on the video recording footage. The video recordings shall be maintained for 90 days by the licensed distributor.

(d) After the sample has been selected, both the licensed distributor and the laboratory employee shall sign and date the chain of custody form pursuant to section 5709 of this division, attesting to the sample selection having occurred.

(e) A licensed distributor shall not assist the laboratory employee nor touch the cannabis goods or the sampling equipment while the laboratory employee is obtaining the sample.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26104 and 26110, Business and Professions Code.

§ 5306. Laboratory Testing Results

(a) A sample “passes” a laboratory test when the sample meets specifications in chapter 6 of this division.

(b) When a batch from a manufactured or harvest batch passes, the cannabis goods may be transported to one or more licensed retailers, licensed distributors, or licensed microbusinesses.

(c) A sample “fails” a laboratory test when the sample does not meet specifications in chapter 6 of this division.

(d) If a failed sample was collected from a batch and the batch could be remediated pursuant to section 5727 of this division, a licensed distributor may transport or arrange for the transportation of the batch to a manufacturer for remediation.

(e) A licensed distributor shall destroy a batch that failed laboratory testing and cannot be remediated pursuant to section 5727 of this division.
Authority: Section 26013, Business and Professions Code. Reference: Sections 26070, 26100, 26104 and 26110, Business and Professions Code.

§ 5307. Quality-Assurance Review

When a licensed distributor receives a certificate of analysis from the licensed testing laboratory or upon transfer from another licensed distributor stating that the sample meets specifications required by law, the distributor shall ensure the following before transporting the cannabis goods to one or more licensed retailers or licensed microbusinesses:

(a) The certificate of analysis for the required testing under section 5714 of this division that the licensed distributor received from the testing laboratory is the certificate of analysis that corresponds to the batch;

(b) The label on the cannabis goods is consistent with the certificate of analysis regarding cannabinoid content and contaminants required to be listed by law;

(c) The packaging and labeling of the cannabis goods complies with applicable packaging laws, including but not limited to, Business and Professions Code Section 26120, and all applicable regulations within this division as well as California Code of Regulations, Title 3, Division 8 and Title 17, Division 1, Chapter 13, except cannabis goods are not required to be labeled or otherwise identified as medicinal products prior to retail sale unless the cannabis goods must be labeled as such pursuant to the requirements prescribed by the State Department of Public Health in regulation;

(d) The packaging is tamper-evident. “Tamper-evident” means a one-time-use seal is affixed to the opening of the package, allowing a person to recognize whether or not the package has been opened;

(e) The weight or count of the cannabis batch comports with that in the track and trace system. A licensed distributor shall use scales as required by the Act; and

(f) All events prior to receipt have been entered into the track and trace system.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26070, 26110 and 26120, Business and Professions Code.

§ 5308. Insurance Requirements

(a) An applicant for a distributor license shall provide the Bureau with a certificate of insurance that shows the types of insurance coverage and minimum amounts that have been secured as required by this section, and documentation establishing compliance with subsection (d) of this section.

(b) A distributor licensee shall at all times carry and maintain commercial general liability insurance in the aggregate in an amount no less than $2,000,000 and in an amount no less than $1,000,000 for each loss.

(c) A distributor licensee shall maintain the insurance required in subsection (b) of this section from an insurance company that is:
(1) A non-admitted insurer that meets the requirements of Insurance Code section 1765.1 or 1765.2, and the insurance is placed pursuant to Insurance Code section 1763 and through a surplus line broker licensed under Insurance Code section 1765;

(2) An insurer qualified to do business in California by the Secretary of State and authorized by the Insurance Commissioner to write the liability and property classes of insurance as defined by Insurance Code sections 102, 103, 107, 114, 108, and 120; or

(3) A registered risk retention group compliant with the California Risk Retention Act of 1991. (See California Insurance Code sections 125-140.)

(d) Admitted insurers and risk retention groups must show proof of capitalization in the amount of at least $10,000,000.

(e) A distributor licensee shall notify the Bureau in writing within 10 calendar days of a lapse in insurance.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26070 and 26051.5, Business and Professions Code.

§ 5309. Inventory Reconciliation

(a) A licensed distributor shall reconcile all inventories of cannabis goods at least once every 14 calendar days.

(b) A licensed distributor shall keep an inventory log containing the following information for each batch:

(1) The name and license number of the manufacturer or cultivator who provided the batch;

(2) The date of entry into the licensed distributor’s storage area;

(3) The unique identifiers and batch number associated with the batch;

(4) A description of the cannabis goods with enough detail to easily identify the batch;

(5) The weight of or quantity of units in the batch;

(6) The best-by, sell-by, or expiration date of the batch, if any; and

(7) Where on the licensed premises the batch is kept.

(c) If a licensed distributor finds a discrepancy between the inventory of stock and the inventory log or track and trace system that is outside of normal weight loss caused by moisture loss, the licensed distributor shall commence a full audit of the batch in which the discrepancy was found.

§ 5310. Records
(a) In addition to the records required by section 5037 of this division, a licensed distributor shall maintain the following records:

(1a) Records relating to branding, packaging and labeling;

(1b) Inventory logs and records;

(1c) Transportation bills of lading and shipping manifests for completed transports and for cannabis goods in transit;

(1d) Vehicle and trailer ownership records;

(1e) Quality-assurance records;

(1f) Records relating to destruction of cannabis goods;

(1g) Laboratory-testing records;

(1h) Warehouse receipts;

(1i) Records relating to tax payments collected and paid under Sections 34011 and 34012 of the Revenue and Taxation Code sections 34011 and 34012.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26110 and Section 26160, Business and Professions Code.

§ 5311. Requirements for the Transportation of Cannabis Goods

The following requirements apply when transporting cannabis goods between licensees or licensed premises:

(a) Transportation shall only be conducted by persons holding a distributor license under the Act, or employees of those persons.

(b) Prior to transporting any cannabis goods, the licensed distributor shall have a completed sales invoice or receipt that meets the requirements of Business and Professions Code section 26161. The licensed distributor shall only transport cannabis goods listed on the sales invoice or receipt. The sales invoice or receipt may not be altered or changed once transport begins.

(c) All vehicles transporting cannabis goods for hire shall be required to have a motor carrier permit pursuant to Chapter 2 (commencing with Section 34620) of Division 14.85 of the Vehicle Code.

(d) Transportation by means of aircraft, watercraft, drone, rail, human powered vehicle, and unmanned vehicle is prohibited.

(e) Cannabis goods shall only be transported inside of a vehicle or trailer and shall not be visible or identifiable from outside of the vehicle or trailer.

(f) Cannabis goods shall be locked in a box, container, or cage that is secured to the inside of the vehicle or trailer. For purposes of this section, the inside of the vehicle includes the trunk.
(fg) While left unattended, vehicles and trailers shall be locked and secured.

(gh) A licensed distributor shall not leave a vehicle or trailer containing cannabis goods unattended in a residential area or parked overnight in a residential area.

(hi) At a minimum, a licensed distributor shall have a vehicle alarm system on all transport vehicles and trailers. Motion detectors, pressure switches, duress, panic, and hold-up alarms may also be used.

(ij) Packages or containers holding cannabis goods shall not be tampered with, or opened, during transport.

(kl) A licensed distributor transporting cannabis goods shall only travel between licensees shipping or receiving cannabis goods and its own licensed premises when engaged in the transportation of cannabis goods. The licensed distributor may transport multiple shipments of cannabis goods at once in accordance with applicable laws. A licensed distributor shall not deviate from the travel requirements described in this section, except for necessary rest, fuel, or vehicle repair stops.

(1m) Under no circumstances may non-cannabis goods, except for cannabis accessories as defined in Business and Professions Code section 26001(g) and licensees’ branded merchandise or promotional materials be transported with cannabis goods.

(lmn) Vehicles and trailers transporting cannabis goods are subject to inspection by the Bureau at any licensed premises or during transport at any time.

(mn) Notwithstanding subsections (d) and (e) of this section, if it is not operationally feasible to transport cannabis goods inside of a vehicle or trailer because the licensed premises that the cannabis goods will be transported from and the licensed premises that will be receiving the cannabis goods are located within the same building or on the same parcel of land, the cannabis goods may be transported by foot, hand truck, fork lift, or other similar means. A shipping manifest that complies with this division is required when transporting cannabis goods pursuant to this subsection.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070, Business and Professions Code.

§ 5312. Required Transport Vehicle Information

(a) In addition to the information required in section 5314 of this division, any licensed distributor who will be or is transporting cannabis goods shall provide the following information to the Bureau:

(1) Proof of ownership or that the licensed distributor owns or holds a valid lease for each vehicle and trailer used to transport cannabis goods;

(2) The year, make, model, license plate number, and numerical Vehicle Identification Number (VIN) for each vehicle and trailer used to transport cannabis goods; and

(3) Proof of insurance for each vehicle and trailer used to transport cannabis goods.
(b) The licensed distributor shall provide the Bureau with the information required by this section in writing for any new vehicle or trailer that will be used to transport cannabis goods prior to using the vehicle or trailer to transport cannabis goods.

(c) The licensed distributor shall provide the Bureau with any changes to the information required by this section in writing within 30 calendar days.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070, Business and Professions Code.

§ 5313. Transport Personnel Requirements

(a) No person under the age of 21 years old shall be in a commercial vehicle or trailer transporting cannabis goods; and

(b) Only a licensee or an employee of the licensed distributor, or security personnel that meets the requirements of section 5045 of this division, shall be in a vehicle while transporting cannabis goods.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070, Business and Professions Code.

§ 5314. Shipping Manifest

(a) Prior to transporting cannabis goods, a licensed distributor shall generate a shipping manifest through the track and trace system for the following activities:

(1) Testing and sampling;

(2) Sale of cannabis goods to a licensee;

(3) Destruction or disposal of cannabis goods; and

(4) Any other activity, as required pursuant to this division, or by any other licensing authority.

(b) The licensed distributor shall transmit the shipping manifest to the Bureau and the licensee that will receive the cannabis goods prior to transporting the cannabis goods.

(c) The licensed distributor shall ensure and verify that the cannabis goods being taken into possession for transport at the originating licensed premises are as described and accurately reflected in the shipping manifest. For purposes of this section, the licensed distributor may verify that the cannabis goods are accurately reflected in the shipping manifest by confirming that the number of boxes of cannabis goods, type of cannabis goods, weight and units of cannabis goods, matches the label on the boxes containing the cannabis goods.

(1) The licensed distributor shall not take into possession or transport:

(A) Any cannabis goods that are not on the shipping manifest; or

(B) Any cannabis goods that are less than or greater than the amount reflected on the shipping manifest.
(2) The licensed distributor is responsible for any discrepancies between the shipping manifest and the cannabis goods in its possession during transport, and subject to any enforcement or disciplinary action related to such discrepancy.

(3) A licensed distributor shall not void or change a shipping manifest after departing from the originating licensed premises.

(d) A shipping manifest shall accompany every transport of cannabis goods.

(e) Notwithstanding subsection (a) of this section, if a transporting licensed distributor has not obtained access to the track and trace system, the licensed distributor shall complete the shipping manifest outside of the track and trace system and transmit it to the Bureau and the licensee receiving the shipment by electronic mail.

(f) If the transporting licensed distributor has access to the track and trace system and the licensee receiving the shipment has not obtained access to the track and trace system, the licensed distributor shall complete the shipping manifest in the track and trace system and transmit it to the Bureau. However, the licensed distributor shall send a copy to the licensee receiving the shipment by electronic mail.

Bureau of Cannabis Control Emergency Regular Regulations Readopt Text Readopt June 2018 Page 67 of 147
(a) A retailer’s delivery employee shall not carry cannabis goods in the delivery vehicle in excess of $10,000 at any time. The value of cannabis goods shall be determined using the current retail price of all cannabis goods carried by, or within the delivery vehicle of, the retailer’s delivery employee.

(b) A delivery employee may only carry cannabis goods in the delivery vehicle and may only perform deliveries for one licensed retailer at a time. A delivery employee must depart and return to the same licensed premises before taking possession of any cannabis goods from another licensee to perform deliveries.

(c) A retailer’s delivery employee shall not leave the licensed premises with cannabis goods without at least one delivery order that has already been received and processed by the licensed retailer.

(d) Before leaving the licensed premises, the retailer’s delivery driver must have a delivery inventory ledger of all cannabis goods provided to the retailer’s delivery driver. For each cannabis good, the delivery inventory ledger shall include the type of good, the brand, the retail value, the track and trace identifier, and the weight, volume or other accurate measure of the cannabis good. After each customer delivery, the delivery inventory ledger must be updated to reflect the current inventory in possession of the retailer’s delivery driver.

(e) The retailer’s delivery driver shall maintain a log that includes all stops from the time the retailer’s delivery driver leaves the licensed premises to the time that the retailer’s delivery driver returns to the licensed premises, and the reason for each stop. The log shall be turned in to the retailer when the retailer’s delivery driver returns to the licensed premises. The licensed retailer must maintain the log as a commercial cannabis activity record as required by this division.

(f) Prior to arrival at any delivery location, the licensed retailer must have received a delivery request from the customer and provided the delivery request receipt to the retailer’s delivery driver electronically or in hard copy. The delivery request receipt provided to the retailer’s delivery driver shall contain all of the information required in section 5420 of this division, except for the date and time the delivery was made, and the signature of the customer.

(g) Immediately upon request by the Bureau or any law enforcement officer, the retailer’s delivery driver shall provide:

(1) All delivery inventory ledgers from the time the retailer’s delivery driver left the licensed premises up to the time of the request;

(2) All delivery request receipts for cannabis goods carried by the driver, in the delivery vehicle, or any deliveries that have already been made to customers; and

(3) The log of all stops from the time the retailer’s delivery driver left the licensed premises up to the time of the request.

(h) If a retailer’s delivery driver does not have any delivery requests to be performed for a 30-minute period, the retailer’s delivery driver shall not make any additional deliveries and shall
return to the licensed premises. Required meal breaks shall not count toward the 30-minute period.

(i) Upon returning to the licensed premises, all undelivered cannabis goods shall be returned to inventory and all necessary inventory and track-and-trace records shall be updated as appropriate that same day.

§ 5419. Cannabis Consumption During Delivery

A retailer’s delivery employees shall not consume cannabis goods while delivering cannabis goods to customers.

§ 5420. Delivery Request Receipt

(a) The delivery request receipt shall contain the following:

(1) The name and address of the licensed retailer;

(2) The first name and employee number of the retailer’s delivery employee who delivered the order;

(3) The first name and employee number of the retailer’s employee who prepared the order for delivery;

(4) The first name of the customer and a retailer-assigned customer number for the person who requested the delivery;

(5) The date and time the delivery request was made;

(6) The delivery address;

(7) A detailed description of all cannabis goods requested for delivery. The description shall include the weight, volume, or any other accurate measure of the amount of all cannabis goods requested;

(8) The total amount paid for the delivery, including any taxes or fees, the cost of the cannabis goods, and any other charges related to the delivery; and

(9) Upon delivery, the date and time the delivery was made, and the handwritten or electronic signature of the customer who received the delivery.

(b) At the time of the delivery, the delivery employee of the retailer shall provide the customer who placed the order with a hard or electronic copy of the delivery request receipt. The delivery
employee shall retain a hard or electronic copy of the signed delivery request receipt for the licensed retailer’s records.

(c) For the purposes of this section, an employee number is a distinct number assigned by a licensed retailer to their employees that would allow the licensed retailer to identify the employee on documents or records using the employee number rather than the employee’s full name. A licensed retailer shall be able to identify the employee associated with each employee number upon request from the Bureau.

(d) For the purposes of this section, a customer number is a distinct number assigned by a licensed retailer to a customer that would allow the licensed retailer to identify the customer in documents or records using the customer number rather than the customer’s full name. A licensed retailer shall be able to identify the customer associated with each customer number upon request from the Bureau.

§ 5421. Delivery Route

While making deliveries of cannabis goods, a retailer’s delivery employee shall only travel from the retailer’s licensed premises to the delivery address; from one delivery address to another delivery address; or from a delivery address back to the retailer’s licensed premises. A delivery employee of a retailer shall not deviate from the delivery path described in this section, except for necessary rest, fuel, or vehicle repair stops, or because road conditions make continued use of the route unsafe, impossible, or impracticable.

§ 5422. Receiving Shipments of Inventory

(a) A licensed retailer shall receive a shipment of cannabis goods only from a licensed distributor or licensed microbusiness.

(b) A licensed retailer shall accept shipments of cannabis goods only between the hours of 6:00 a.m. Pacific Time and 10:00 p.m. Pacific Time.

(c) During business hours, shipments of cannabis goods shall not enter the licensed premises through an entrance or exit that is available for use by the public.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070, Business and Professions Code.

§ 5423. Inventory Documentation

A licensed retailer shall maintain an accurate record of its inventory. A licensed retailer shall provide the Bureau with the record of inventory immediately upon request. A licensed retailer shall keep a record of the following information for all cannabis goods the licensed retailer has in its inventory:
(a) A description of each item such that the cannabis goods can easily be identified;

(b) An accurate measurement of the quantity of the item;

(c) The date and time the cannabis goods were received by the licensed retailer;

(d) The sell-by or expiration date provided on the package of cannabis goods, if any;

(e) The name and license number of the licensed distributor or licensed microbusiness that delivered the cannabis goods to the licensed retailer; and

(f) The name and license number of the distributor that provided the cannabis goods to the retailer; and

(g) The price the licensed retailer paid for the cannabis goods, including taxes, delivery costs, and any other costs.

§ 5424. Inventory Reconciliation

(a) A licensed retailer shall perform a reconciliation of its inventory at least once every 14 calendar days.

(b) In conducting an inventory reconciliation, a licensed retailer shall verify that the licensed retailer’s physical inventory matches the licensed retailer’s records pertaining to inventory.

(c) The result of inventory reconciliation shall be retained in the licensed retailer’s records and shall be made available to the Bureau upon request.

(d) If a licensed retailer identifies any evidence of theft, diversion, or loss, the licensed retailer shall notify the Bureau and law enforcement pursuant to section 5036 of this division.

(e) If a significant discrepancy as defined in section 5034 of this division is discovered between a licensed retailer’s physical inventory and the licensed retailer’s inventory records, the licensed retailer shall notify the Bureau and law enforcement pursuant to section 5036 of this division.

§ 5425. Record of Sales

(a) A licensed retailer shall maintain an accurate record of sale for every sale made to a customer.

(b) A record of a medicinal-cannabis goods sold to a customer shall contain the following information:
(1) The first name and employee number of the retailer employee who processed the sale;

(2) The first name and the retailer-assigned customer number for the person who made the purchase;

(3) The date and time of the transaction;

(4) A list of all the cannabis goods purchased, including the quantity purchased; and

(5) The total amount paid for the sale including the individual prices paid for each cannabis good purchased and any amounts paid for taxes.

(c) For the purposes of this section, an employee number is a distinct number assigned by a licensed retailer to their employees that would allow the licensed retailer to identify the employee on documents or records using the employee number rather than the employee's full name. A licensed retailer shall be able to identify the employee associated with each employee number upon request from the Bureau.

(d) For the purposes of this section, a customer number is a distinct number assigned by a licensed retailer to a customer that would allow the licensed retailer to identify the customer in documents or records using the customer number rather than the customer's full name. A licensed retailer shall be able to identify the customer associated with each customer number upon request from the Bureau.

§ 5426. Records

All licensed retailer-specific records in this chapter shall be maintained in accordance with section 5037 of this division.

§ 5427. Retailer Premises to Retailer Premises Transfer

(a) A licensee who holds multiple retail licenses may arrange for the transfer of cannabis goods from one licensed retail premises to another licensed retail premises if both retail licenses are held under the same ownership.

(b) Cannabis goods transferred to a licensed retail premises under subsection (a) of this section may be sold by the licensed retailer receiving the cannabis goods only if the cannabis goods comply with all requirements found in the Act and this division.

(c) The transportation of cannabis goods under this section must comply with all requirements found within the Act and this division.

(d) Any movement of cannabis goods under this section shall be properly entered into the state track and trace system.

§ 5500. Microbusiness

(a) In order to hold a microbusiness license, a licensee must engage in at least three (3) of the following commercial cannabis activities: cultivation, manufacturing, distribution, and retail sale. License types created by the California Department of Food and Agriculture or the State Department of Public Health in regulation shall not be considered qualifying commercial cannabis activities for purposes of obtaining a microbusiness license.

(b) An applicant for a Type 12-microbusiness license shall indicate on the application for licensure which commercial cannabis activities the applicant intends to engage in.

(c) An application for a Type 12-microbusiness license shall include:

(1) For an application indicating that the applicant intends to engage in cultivation under the Type 12-microbusiness license all the required information under sections 5002, 5501, 5502 and 5503 of this division.

(2) For an application indicating that the applicant intends to engage in manufacturing under the Type 12-microbusiness license all the required information under sections 5002 and 5504 of this division.

(3) For an application indicating that the applicant intends to engage in distribution under the Type 12-microbusiness license all the required information for an application seeking a Type 11-distributor license.

(4) For an application indicating that the applicant intends to engage in retail sale, transport-only under the Type 12-microbusiness license, all the required information for an application seeking a Type 10-distributor, transport-only license.

(5) For an application indicating that the applicant intends to engage in retail sale under the microbusiness license, all the required information for an application seeking a retailer license.

(6) For an application indicating that the applicant intends to engage in non-storefront retail sale under the microbusiness license, all the required information for an application seeking a non-storefront retailer license.

(d) All cultivation, manufacturing, distribution, and retail activities performed by a licensee under a Type 12-microbusiness license shall occur on the same licensed premises.

(e) A holder of a Type 12-microbusiness license shall comply with the following:
(1) A holder of a Type 12-microbusiness license engaged in cultivation shall comply with all the rules and requirements applicable to the cultivation license type and applicable to suitable for the cultivation activities of the licensee.

(2) A holder of a Type 12-microbusiness license engaged in manufacturing shall comply with all the rules and requirements applicable to a Type 6-Manufacturer 1 license in Division 1 of Title 17 of the California Code of Regulations.

(3) A holder of a Type 12-microbusiness license engaged in distribution shall comply with all the rules and requirements applicable to a Type 11-distributor license in this division.

(4) A holder of a Type 12-microbusiness license engaged in retail sale shall comply with all the rules and requirements applicable to a Type 10-retailer license, or a Type 9-non-storefront retailer license if retail sales are conducted by delivery only in this division.

(f) A holder of a Type 12-microbusiness license may only engage in the commercial cannabis activity requested in the license application and approved by the Bureau at the time the license is issued. If the holder of a Type 12-microbusiness license wants to engage in an additional commercial cannabis activity after the license is issued, the licensee shall submit an application to the Bureau indicating the requested changes and providing all information required for an application for the commercial cannabis activity the licensee wants to conduct a request for a modification of the licensed premises pursuant to section 5027 of this division.

(g) A suspension or revocation of a microbusiness licensee shall affect all commercial cannabis activities. If a suspension or revocation of a microbusiness license occurs, the security rules and requirements applicable to the corresponding license type suitable for the activities allowed pursuant to that license of the licensee.

(h) Areas of the licensed premises for manufacturing and cultivation shall be separated from the distribution and retail areas by a wall and all doors between the areas shall remain closed when not in use.

(i) A suspension or revocation of a microbusiness licensee shall affect all commercial cannabis activities allowed pursuant to that license.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26013, and 26070, Business and Professions Code.

§ 5501. Microbusiness Applications Including Cultivation Activities

In addition to the information required in section 5002 of this division, an application for a microbusiness license to engage in cultivation shall include the following:

(a) Evidence of enrollment with the applicable Regional Water Quality Control Board or State Water Resources Control Board for water quality protection programs or written verification from the appropriate Board that enrollment is not necessary.

(b) Evidence that the applicant has conducted a hazardous materials record search of the EnviroStor database for the proposed premises. If hazardous sites were encountered, the
applicant shall provide documentation of protocols implemented to protect employee health and safety.

(c) For indoor and mixed-light cultivation, identification of all power sources for cultivation activities, including, but not limited to: illumination, heating, cooling, and ventilation.

(d) A premises diagram pursuant to section 5006 of this division that shall also include:

(1) All roads and water crossings on the property.

(2) If the applicant is proposing to use a diversion from a waterbody, groundwater well, or rain catchment system as a water source for cultivation, the following locations on the property diagram with locations also provided as coordinates in either latitude and longitude or the California Coordinate System:

(A) Sources of water used, including the location of waterbody diversion(s), pump location(s), and distribution system; and

(B) Location, type, and capacity of each storage unit to be used for cultivation.

(e) A proposed cultivation plan pursuant to section 5502 of this division.

(f) Identification of all water sources used for cultivation activities and the applicable supplemental information for each source as required by section 5503 of this division:

(1) A retail water supplier;

(2) A groundwater well;

(3) A rainwater catchment system; or

(4) A diversion from a surface waterbody or an underground stream flowing in a known and definite channel.

(g) A copy of any final lake or streambed alteration agreement issued by the California Department of Fish and Wildlife, pursuant to Fish and Game Code sections 1602 and 1617 of the Fish and Game Code, or written verification from the California Department of Fish and Wildlife that a lake and streambed alteration agreement is not required.

(h) An attestation that the applicant entity is an “agricultural employer” as defined by the Alatorre-Zenovich-Dunlap-Berman Agricultural Labor Relations Act of 1975; Division 2, Part 3.5 (commencing with Section 1140) of the Labor Code.

(i) An attestation that the local fire department has been notified of the cultivation site if the applicant entity is an indoor license type.

(j) An acknowledgement that the applicant understands that the information provided in the application that is relevant to the cultivation operation may be shared with the Department of Food and Agriculture for purposes of evaluating the applicant’s qualifications for licensure. If the Department of Food and Agriculture corresponds directly with the applicant on matters related to the application, the applicant shall agree to cooperate. The applicant shall further agree...
that the Department of Food and Agriculture may conduct inspections on the areas of the premises related to their respective oversight authority.

(k) If applicable, a detailed description of any fines or penalties for cultivation or production of a controlled substance on public or private land pursuant to Fish and Game Code section 12025 or 12025.1 against the applicant or a business entity in which the applicant was an owner or officer within 3 years preceding the date of application.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26050, 26051.5 and 26070, Business and Professions Code.

§ 5502. Cultivation Plan Requirements

A cultivation plan shall include all of the following:

(a) A detailed premises diagram showing all cultivation activity areas, boundaries, and dimensions in feet. The total area of the following cultivation activity areas shall be less than 10,000 square feet as provided in section 26070 of the Business and Professions Code.

(1) Canopy area(s) (which shall contain mature plants, at any point in time), including aggregate square footage if the canopy areas are noncontiguous;

(2) Area(s) outside of the canopy where only immature plants shall be maintained, if applicable;

(3) Designated pesticide and other agricultural chemical storage area(s);

(4) Designated processing area(s) if the licensee will process on site;

(5) Designated packaging area(s) if the licensee will package products on site;

(6) Designated composting area(s) if the licensee will compost plant or cannabis waste on site;

(7) Designated secured area(s) for cannabis waste if different than subsection (a)(6) above of this section;

(8) Designated area(s) for harvested cannabis storage;

(9) Designated research and development area(s) which may contain mature plants for nursery only;

(10) Designated seed production area(s) which may contain mature plants for nursery only; and

(b) For purposes of subsection (a)(1) in this section, canopy shall be calculated in square feet and measured using clearly identifiable boundaries of all areas(s) that will contain mature plants at any point in time, including all of the space(s) within the boundaries. Canopy may be noncontiguous, but each unique area included in the total canopy calculation shall be separated by an identifiable boundary which include, but are not limited to: interior walls, shelves, greenhouse walls, hoop house walls, garden benches, hedgerows, fencing, garden beds, or garden plots. If mature plants are being cultivated using a shelving system, the surface area of each level shall be included in the total canopy calculation.
(c) For indoor and mixed-light cultivation, a lighting diagram with the following information shall be included:

1. Location of all lights in the canopy area(s); and
2. Maximum wattage, or wattage equivalent, of each light.

(d) A pest management plan which shall include, but not be limited to, the following:

1. Product name and active ingredient(s) of all pesticides to be applied to cannabis during any stage of plant growth; and
2. Integrated pest management protocols including chemical, biological and cultural methods the applicant anticipates using to control or prevent the introduction of pests on the cultivation site.

(e) Cannabis waste procedures meeting the requirements of section 5002(c)(29)(E) of this division.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26050, 26051.5 and 26070, Business and Professions Code.

§ 5503. Supplemental Water Source Information

The following information shall be provided for each water source identified by the applicant:

(a) Retail water supply sources:

1. If the water source is a retail supplier, such as a municipal provider, as defined in Water Code section 13575 of the Water Code, identify the retail water supplier.

2. If the water source is a small retail supplier, such as a delivery service, and is subject to subdivision (a)(1)(B) of Section 26060.1 of the Business and Professions Code:

   (A) And if the retail water supplier contract is for delivery or pickup of water from a surface water body or an underground stream flowing in a known and definite channel, provide all of the following:

   (i) The name of the contract retail water supplier under the contract;

   (ii) The geographic location coordinates in either latitude and longitude or the California Coordinate System of any point of diversion used by the contract retail water supplier to divert water delivered to the applicant under the contract;

   (iii) The authorized place of use for any water right used by the contract retail water supplier to divert water delivered to the applicant under the contract; and

   (iv) The maximum amount of water delivered to the applicant for cannabis cultivation in any year.
(B) **And:** If the retail water supplier contract is for delivery or pickup of water from a groundwater well, provide all of the following:

(i) The name of the contract retail water supplier;

(ii) The geographic location coordinates for any groundwater well used to supply water delivered to the applicant, in either latitude and longitude or the California Coordinate System;

(iii) The maximum amount of water delivered to the applicant for cannabis cultivation in any year; and

(iv) A copy of the well log filed with the Department of Water Resources pursuant to Water Code section 13751 of the Water Code for each percolating groundwater well used to divert water delivered to the applicant. If no well log is available, the applicant shall provide evidence from the Department of Water Resources indicating that the Department of Water Resources does not have a record of the well log. When no well log is available, the State Water Resources Control Board may request additional information about the well.

(b) If the water source is a groundwater well:

(1) The groundwater well’s geographic location coordinates in either latitude and longitude or the California Coordinate System; and

(2) A copy of the well log filed with the Department of Water Resources pursuant to Water Code section 13751 of the Water Code. If no well log is available, the applicant shall provide evidence from the Department of Water Resources indicating that the Department of Water Resources does not have a record of the well log. If no well log is available, the State Water Resources Control Board may request additional information about the well.

(c) If the water source is a rainwater catchment system:

(1) The total square footage of the catchment footprint area(s);

(2) The total storage capacity, in gallons, of the catchment system(s); and

(3) A detailed description of the type, nature, and location of each catchment surface. Examples of catchment surfaces include a rooftop and greenhouse.

(d) If the water source is a diversion from a waterbody:

(1) provide any applicable statement, application, permit, license, or small irrigation use registration identification number(s); and either:

(A) A copy of any applicable registrations, permits, or licenses or proof of a pending application, issued under Part 2 (commencing with Section 1200) of Division 2 of the Water Code as evidence of approval of a water diversion by the State Water Resources Control Board;

(B) A copy of any statements of diversion and use filed with the State Water Resources Control Board before October 31, 2017, detailing the water diversion and use; or
A copy of documentation submitted to the State Water Resources Control Board before October 31, 2017, demonstrating that the diversion is authorized under a riparian right and that no diversion occurred in any calendar year between January 1, 2010, and January 1, 2017.

If the applicant has claimed an exception from the requirement to file a statement of diversion and use, pursuant to Water Code section 5101 the applicant shall provide a copy of the documentation submitted to the State Water Resources Control Board before January 1, 2019, demonstrating that the diversion is subject to Water Code section 5101, subdivision (a), (c), (d), or (e) of Section 5101 of the Water Code.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26050, 26051.5 and 26070, Business and Professions Code; and Section 13149, Water Code.

§ 5504. Microbusiness Applications Including Manufacturing Activities

In addition to the information required License Issuance in section 5002 of this division, an application for a microbusiness license that engages or will engage in manufacturing, shall include the following: Impacted Watershed

(a) Type of manufacturing activity to be conducted at the premises (extraction, infusion, packaging, and/or labeling), and if applicable:

(1) For extraction, the method of non-volatile extraction. If CO₂ is used as a method of extraction, a copy of the closed-loop system certification signed by a California-licensed engineer attesting that the system was commercially manufactured, safe for its intended use, and built to codes of recognized and generally accepted good manufacturing practices.

(2) For infusion, a list of all infused products to be manufactured.

(b) A list of all products that will be manufactured, packaged, or labeled, including the following information:

(1) Product type (e.g., edibles) and identity (e.g., brownies);

(2) Product brand name; and

(3) Amount of cannabidiol (CBD) and tetrahydrocannabinol (THC) in the product.

(c) An acknowledgment that the applicant understands that the information provided in the application that is relevant to the manufacturing operation may be shared with the State Department of Public Health for purposes of evaluating the applicant’s qualifications for licensure. If the State Department of Public Health corresponds directly with the applicant on matters related to the application, the applicant shall agree to cooperate. The applicant shall further agree that the State Department of Public Health may conduct inspections on the areas of the premises related to their respective oversight authority.

If the State Water Resources Control Board or the Department of Fish and Wildlife finds, based on substantial evidence, that a microbusiness’ cannabis cultivation is causing significant adverse impacts on the environment in a watershed or other geographic area, the Bureau shall not issue
new microbusiness licenses that include cultivation activities or increase the total number of
plant identifiers within that watershed or area.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26050, 26053, Section 26011.5, and 26055, 26070, Business and Professions Code.

§ 5505. Cultivation Records for Licensees Engaging in Cultivation Activities

In addition to the records required by section 5037 of this division, a microbusiness engaging in
cultivation activities shall maintain the following records:

(a) Cultivation plan(s);

(b) All records evidencing compliance with the environmental protection measures required in
sections 5501, 5502, 5503, and 5504 of this chapter;

(c) All lot numbers and batch numbers associated with unique identifiers (UID) assigned to
product in inventory. Lot numbers or batch numbers and all unassigned UIDs. UIDs associated
with product that has been retired from the track and trace system must be retained for six (6)
months after the date the tags were retired; and

(d) Records associated with the composting or disposal of cannabis waste.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26013, 26069,
26160 and 26161, Business and Professions Code.

§ 5506 Microbusines Applications Including Manufacturing Activities

In addition to the information required in section 5002 of this division, an application for a
microbusiness license that engages or will engage in manufacturing, shall include the following:

(a) The type of activity conducted at the premises (extraction, infusion, packaging, and/or
labeling);

(b) The types of products that will be manufactured, packaged, or labeled;

(c) The name, title and phone number of the on-site individual who manages the operation of the
premises;

(d) The name, title and phone number of an alternate contact person for the premises;

(e) The number of employees at the premises;

(f) The following information:

(1) A description of inventory control procedures sufficient to demonstrate how the applicant
will comply with the requirements of Section 40282 of Title 17 of the California Code of
Regulations, or a copy of the standard operating procedure addressing inventory control;

(2) A description of quality control procedures sufficient to demonstrate how the applicant will
comply with all of the applicable requirements specified in Sections 40232-40268 of Title 17 of
the California Code of Regulations or a copy of the standard operating procedure addressing quality control;

(3) A description of security procedures sufficient to demonstrate how the applicant will comply with the requirements of Section 40200 of Title 17 of the California Code of Regulations, or a copy of the standard operating procedure addressing security procedures;

(4) A description of the waste disposal procedures sufficient to demonstrate how the applicant will comply with the requirements of Section 40290 of Title 17 of the California Code of Regulations, or a copy of the standard operating procedure addressing waste management.

(g) Any manufacturer submitting operating procedures and protocols to the Department pursuant to the Act and this chapter may claim such information as a trade secret or confidential by clearly identifying such information as “confidential” on the document at the time of submission. Any claim of confidentiality by a manufacturer must be based on the manufacturer’s good faith belief that the information marked as confidential constitutes a trade secret as defined in Civil Code section 3426.1 or is otherwise exempt from public disclosure under the California Public Records Act in Government Code section 6250 et seq.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26050, 26051.5, 26055, and 26070, Business and Professions Code.

§ 5507 Microbusiness Records for Licensees Engaging in Manufacturing Activities

(a) In addition to the records required by section 5037 of this division, a microbusiness engaging in manufacturing activities shall maintain batch production records:

(b) The batch production record shall document complete information relating to the production and control of each batch, including all of the following details:

(1) The batch or lot number of the finished batch of cannabis product of all cannabis products used in the batch;

(2) The identity of equipment and processing lines used in producing the batch;

(3) The date and time of the maintenance, cleaning, and sanitizing of the equipment and processing lines used in producing the batch, or a cross-reference to records, such as individual equipment logs, where this information is retained.

(4) The identification number assigned to each component (or, when applicable, to a cannabis product received from a supplier for packaging or labeling as a cannabis product), packaging, and label used;

(5) The identity and weight or measure of each component used;
(6) A statement of the actual yield and a statement of the percentage of theoretical yield at appropriate phases of processing;

(7) The actual results obtained during any monitoring operation;

(8) The results of any testing or examination performed during the batch production, or a cross-reference to such results; and

(9) Documentation, at the time of performance, of the manufacture of the batch, including:

(A) The date on which each step of the manufacturing protocol was performed; and

(B) The initials of the persons performing each step, including:

(i) The initials of the person responsible for weighing or measuring each component used in the batch;

(ii) The initials of the person responsible for verifying the weight or measure of each component used in the batch;

(iii) The initials of the person responsible for adding the component to the batch; and

(iv) The initials of the person responsible for verifying the addition of components to the batch.

(10) Documentation, at the time of performance, of packaging and labeling operations, including:

(A) An actual or representative label, or a cross-reference to the physical location of the actual or representative label specified in the manufacturing record;

(B) The expected number of packaging and labels to be used, the actual quantity of the packaging and labels used, and, when label reconciliation is required, reconciliation of any discrepancies between issuance and use of labels; and

(C) The results of any tests or examinations conducted on packaged and labeled cannabis products (including repackaged or relabeled cannabis products), or a cross-reference to the physical location of such results.

(11) Documentation at the time of performance that quality control personnel have:

(A) Reviewed the batch production record;

(B) Reviewed all monitoring operation(s) required in:

(a) Records related to quality of raw materials and ingredients, per section 40252 of Title 17 of the California Code of Regulations.

(b) Records related to manufacturing operations, per section 40254 of Title 17 of the California Code of Regulations.

(c) Records related to written hazard analysis, per section 40256 of Title 17 of the California Code of Regulations.
(d) Records related to preventative controls, per section 40258 of Title 17 of the California Code of Regulations.

(e) Records related to the master manufacturing protocol, per section 40262 of Title 17 of the California Code of Regulations.

(f) Batch production record, per section 40264 of Title 17 of the California Code of Regulations.

(C) Reviewed the results of all tests and examinations, including tests and examinations conducted on components, in-process materials, finished batches of cannabis product, and packaged and labeled cannabis products;

(D) Either approved and released—or rejected—the batch for distribution; and

(E) Either approved and released—or rejected—the finished cannabis product, including any repackaged or relabeled cannabis product.

(12) Documentation at the time of performance

(g) Records related to product complaints, per section 40266 of Title 17 of the California Code of Regulations.

(h) Records related to recalls, per section 40268 of any required material review and disposition decision.

(d) The batch production record shall:

(1) Contain the actual values and observations obtained during monitoring and, as appropriate, during verification activities;

(2) Be accurate, indelible, and legible;

(3) Be created concurrently with performance of the activity documented;

(4) Be as detailed as necessary to provide history of work performed; and:

(A) Include information adequate to identify any associated manufacturing facility (e.g., the name, license number, and, when necessary, the location of the facility);

(B) Include the date and, when appropriate, the time of the activity documented;

(C) Include the signature or initials of the person performing the activity; and

(D) Where appropriate, include the identity of the product and the lot number or batch identifier, if any.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26013 and 26160, Business and Professions Code.

Chapter 5. CANNABIS EVENTS

§ 5600. Cannabis Event Organizer License
(a) To obtain a temporary cannabis event license, the event organizer must first apply for and obtain a cannabis event organizer license.

(b) Cannabis event organizers licensed under this section shall comply with chapter 1 of this division except for sections 5001-5002, 5006-5008, 5010, 5016, 5019, 5025-5029, 5032-5034, and 5042-5044, and 5046-5055.

(c) A cannabis event organizer licensee is not authorized or licensed to cultivate, distribute, manufacture, or retail cannabis or cannabis products without first obtaining the appropriate licenses or authorizations to engage in such commercial cannabis activities.

(d) A cannabis event organizer shall comply with the records retention provisions of section 5037 of this division. Records shall be kept by the cannabis event organizer in a manner that allows the records to be produced for the Bureau in either hard copy or electronic form, whichever the Bureau requests. Failure to produce records upon the Bureau’s request may result in disciplinary action against the cannabis event organizer license and/or denial of a temporary cannabis event license.

(e) Cannabis event organizer applications may be completed online at www.bcc.ca.gov or by delivering a printed copy to the Bureau’s office(s).

(f) Applicants who submit their applications online shall first register for a user account as provided by section 5002(b) of this division.

(g) An application must be completed by an owner as defined by Business and Professions Code section 26001(al). An application for cannabis event organizer licensure includes the following:

1. The name of the applicant. For applicants who are individuals, the applicant shall provide both the first and last name of the individual. For applicants who are business entities, the applicant shall provide the legal business name of the applicant.

2. If applicable, the business trade name (“DBA”) of the applicant.

3. Payment of an application fee pursuant to section 5014 of this division.

4. Whether the owner is serving or has previously served in the military. Disclosure of military service is voluntary. An applicant who has served as an active duty member of the Armed Forces of the United States and was honorably discharged and who can provide evidence of such honorable discharge shall have his or her application expedited pursuant to Business and Professions Code section 115.4.

5. A list of the license types and the license numbers issued from the Bureau and all other state cannabis licensing authorities that the applicant holds, including the date the license was issued and the licensing authority that issued the license.

6. Whether the applicant has been denied a license or has had a license suspended or revoked by the Bureau or any other state cannabis licensing authority. The applicant shall provide the type of license applied for, the name of the licensing authority that denied the application, and the date of denial.

7. The mailing address for the applicant.

8. The telephone number for the applicant.

9. The website address of the applicant’s business, if applicable.
(10) The email address for the applicant’s business.

(11) Contact information for the applicant’s designated primary contact person including the name, title, phone number, and email address of the individual.

(12) The federal employer identification number for the applicant’s business.

(13) A description of the business organizational structure of the applicant, such as partnership or corporation.

(14) The business-formation documents, which may include, but are not limited to, articles of incorporation, operating agreements, partnership agreements, and fictitious business name statements. The applicant shall also provide all documents filed with the California Secretary of State, which may include, but are not limited to, articles of incorporation, certificates of stock, articles of organization, certificates of limited partnership, and statements of partnership authority. If the commercial cannabis business is held in trust, the applicant shall provide a copy of the trust.

(15) A list of every fictitious business name the applicant is operating under including the address where the business is located.

(16) An applicant that is a foreign corporation shall include in its application the certificate of qualification issued by the California Secretary of State under Corporations Code section 2105.

(17) The applicant shall supply the following financial information:

(A) A list of funds belonging to the applicant’s cannabis event organizing business held in savings, checking, or other accounts maintained by a financial institution. The applicant shall provide, for each account, the financial institution’s name, the financial institution’s address, account type, account number, and the amount of money in the account.

(B) A list of loans made to the applicant for its use in cannabis event organizing activities. For each loan, the applicant shall provide the amount of the loan, the date of the loan, term(s) of the loan, security provided for the loan, and the name, address, and phone number of the lender.

(C) A list of investments made into the applicant’s cannabis event organizing activities. For each investment, the applicant shall provide the amount of the investment, the date of the investment, term(s) of the investment, and the name, address, and phone number of the investor.

(D) A list of all gifts of any kind given to the applicant for its use in cannabis event organizing activities. For each gift, the applicant shall provide the value of the gift or description of the gift, and the name, address, and phone number of the provider of the gift.

(18) A complete list of every individual that has a financial interest in the cannabis event organizing business as defined in section 5004 of this division, who is not an owner as defined in Business and Professions Code section 26001(al).

(19) A complete list of every owner of the applicant as defined in Business and Professions Code section 26001(al). Each individual named on this list shall submit the following information:

(A) The full name of the owner.

(B) The owner’s title within the applicant entity.
(C) The owner’s date of birth and place of birth.

(D) The owner’s social security number or individual taxpayer identification number.

(E) The owner’s mailing address.

(F) The owner’s telephone number. This may include a number for the owner’s home, business, or mobile telephone.

(G) The owner’s email address.

(H) The owner’s current employer.

(I) The percentage of the ownership interest held in the applicant entity by the owner.

(J) Whether the owner has an ownership or a financial interest as defined in sections 5003 and 5004, respectively, of this division in any other commercial cannabis business licensed under the Act.

(K) A copy of the owner’s government-issued identification. Acceptable forms of identification are a document issued by a federal, state, county, or municipal government that includes the name, date of birth, physical description, height, gender, and picture of the person, such as a driver license.

(L) A detailed description of the owner’s convictions. A conviction within the meaning of this section means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Convictions dismissed under Penal Code section 1203.4 or equivalent non-California law must be disclosed. Convictions dismissed under Health and Safety Code section 11361.8 or equivalent non-California law must be disclosed. Juvenile adjudications and traffic infractions under $300 that did not involve alcohol, dangerous drugs, or controlled substances do not need to be included. For each conviction, the owner shall provide the following:

(i) The date of conviction.

(ii) Dates of incarceration, if applicable.

(iii) Dates of probation, if applicable.

(iv) Dates of parole, if applicable.

(v) A detailed description of the offense for which the owner was convicted.

(vi) A statement of rehabilitation for each conviction. The statement of rehabilitation is to be written by the owner and may contain evidence that the owner would like the Bureau to consider that demonstrates the owner’s fitness for licensure. Supporting evidence may be attached to the statement of rehabilitation and may include, but is not limited to, a certificate of rehabilitation under Penal Code section 4852.01, and dated letters of reference from employers, instructors, or professional counselors that contain valid contact information for the individual providing the reference.
(M) If applicable, a detailed description of any administrative orders or civil judgements for violations of labor standards, any suspension of a commercial cannabis license, revocation of a commercial cannabis license, or sanctions for unlicensed commercial cannabis activity by a licensing authority or local agency, or state agency against the applicant or a business entity in which the applicant was an owner or officer within the three years immediately preceding the date of the application.

(N) Attestation to the following statement: Under penalty of perjury, I hereby declare that the information contained within and submitted with the application is complete, true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of the license, or revocation of a license issued.

(20) For an applicant with 20 or more employees, the applicant shall attest that the applicant has entered into a labor peace agreement and will abide by the terms of the agreement. The applicant shall submit a copy of the page of the labor peace agreement that contains signatures of the union representative and the applicant. For applicants who have not yet entered into a labor peace agreement, the applicant shall provide a notarized statement indicating the applicant will enter into and abide by the terms of a labor peace agreement as soon as reasonably practicable after licensure.

(21) The limited waiver of sovereign immunity required by section 5009 of this division, if applicable.

Authority: Sections 115.4 and 26013, Business and Professions Code. Reference: Sections 115.4, 144, 26012, and 26200, Business and Professions Code.

§ 5601. Temporary Cannabis Event License

(a) A temporary cannabis event license authorizes a licensed cannabis event organizer to hold a temporary cannabis event where the onsite sale and consumption of cannabis goods is authorized at the location indicated on the license during the dates indicated on the license.

(b) A temporary cannabis event license shall only be issued to a person who holds a cannabis event organizer license issued by the Bureau.

(c) Violations of the requirements applicable to temporary cannabis events may result in disciplinary action against the cannabis event organizer license or any other licenses held by a licensee participating in the temporary cannabis event and responsible for the violation under Business and Professions Code section 26070.5.

(d) A temporary cannabis event license shall only be issued for a single day or up to 4 consecutive days. No temporary cannabis event license will be issued for more than 4 days.

(e) An application for a temporary cannabis event license shall be submitted to the Bureau no less than 60 days before the first day of the temporary cannabis event.

(f) A temporary cannabis event may only be held on the grounds of a county fair or district agricultural association. Temporary cannabis events are not required to take place on the same dates as the county fairs or district agricultural association events at these locations.
(g) A temporary cannabis event license shall not be issued for a premises that is licensed for the sale of alcohol or tobacco.

(h) An application for a temporary cannabis event license shall include the following:

(1) The name of the applicant. For applicants who are individuals, the applicant shall provide both the first and last name of the individual. For applicants who are business entities, the applicant shall provide the legal business name of the applicant.

(2) The license number for each state cannabis license held by the applicant.

(3) The address of the location where the temporary cannabis event will be held.

(4) The name of the temporary cannabis event.

(5) A diagram of the physical layout of the temporary cannabis event. The diagram shall clearly indicate where the temporary cannabis event will be taking place on the location grounds, all entrances and exits that will be used by participants during the event, all cannabis consumption areas, and all retail areas where cannabis goods will be sold. The hours during which cannabis goods will be sold shall be noted on the diagram. The diagram shall also clearly indicate the area where cannabis waste will be stored, all areas where cannabis goods will be stored, and the specific location of each cannabis licensee who will be participating in the event. Each cannabis licensee participating in the event shall be identified with an assigned temporary cannabis event location number. The diagram shall not contain highlighting and the markings on the diagram shall be in black-and-white print.

(6) The dates and hours of operation for which the temporary cannabis event license is being sought. A temporary event license is required for any date in which the applicant engages in onsite cannabis sales or allows onsite cannabis consumption.

(7) Contact information for the applicant’s designated primary contact person regarding the temporary event license, including the name, title, address, phone number, and email address of the individual.

(8) Contact information for a designated contact person(s) who shall be onsite at the event and reachable by telephone at all times that the event is occurring.

(9) A cannabis waste management plan in accordance with section 5002(c)(29)(E) of this division.

(10) Written approval from the local jurisdiction authorizing the applicant to engage in onsite cannabis sales to, and onsite consumption by, persons 21 years of age or older at the temporary cannabis event.

(11) A list of all licensees and employees that will be providing onsite sales of cannabis goods at the temporary cannabis event.

(12) Attestation to the following statement: Under penalty of perjury, I hereby declare that the information contained within and submitted with the application is complete, true, and accurate. I understand that a misrepresentation of fact is cause for rejection of this application, denial of the license, or revocation of a license issued.

Bureau of Cannabis Control Emergency Regulations Readopt Text — Readopt June 2018 — Page 88 of 147
(i) If the list of licensees and employees participating in the temporary cannabis event changes after the application is submitted or after the license is issued, the applicant shall submit an updated list and an updated diagram, as required in subsection (f)(5) of this section, to the Bureau no less than 72 hours before the event. Licensees not on the list submitted to the Bureau shall not participate in the temporary cannabis event.

(j) The event organizer shall hire or contract for security personnel to provide security services at the licensed temporary cannabis event. All security personnel hired or contracted for by the licensee shall be at least 21 years of age, licensed by the Bureau of Security and Investigative Services, and comply with Chapters 11.4 and 11.5 of Division 3 of the Business and Professions Code. Security personnel shall be present on the licensed premises at all times cannabis goods are available for sale and/or cannabis consumption is allowed on the licensed premises.

(k) A cannabis event organizer shall maintain a clearly legible sign, not less than 7” x 11” in size reading, “No Persons Under 21 Allowed” at or near each public entrance to any area where the sale or consumption of cannabis goods is allowed. The lettering of the sign shall be no less than 1 inch in height.

(l) All cannabis waste generated at a temporary cannabis event shall be collected and disposed of in accordance with the requirements of sections 5054 and 5055 of this division. The cannabis event organizer may contract or arrange for the collection and disposal of cannabis waste generated during the temporary cannabis event.

(m) A cannabis event organizer and all other licensees participating in a temporary cannabis event are required to comply with section 5037 of this division and all other applicable requirements in the Act and this division pertaining to record keeping.

Authority: Section 26013, Business and Professions Code. Reference: Section 26012 and 26200, Business and Professions Code.

§ 5602. Temporary Cannabis Event Sales

(a) Only persons age 21 or older may purchase and consume cannabis goods at a temporary cannabis event. Prior to selling cannabis goods to a customer, the licensee making the sale shall confirm, using valid identification as specified in section 54025404 of this division, the age and identity of the customer.

(b) All sales of cannabis goods at a temporary cannabis event must occur in a retail area as designated in the premises diagram pursuant to section 5601, subsection (h)(5) of this division.

(c) Each sale at a temporary cannabis event shall be performed by a licensed retailer or licensed microbusiness authorized to sell cannabis to retail customers. The cannabis event organizer may also sell cannabis goods at the temporary cannabis event if the organizer separately holds a license authorizing the retail sale of cannabis goods.

(d) Licensed retailers or licensed microbusinesses shall only conduct sales activities within their specifically assigned area, identified in the diagram of the physical layout of the temporary cannabis event.
(2) Mobile sales activities via wagon, cart, or similar means are prohibited at the temporary cannabis event site.

(d) Licensed retailers or licensed microbusinesses must prominently display their temporary cannabis event location number and state license within plain sight of the public.

(e) All sales at a temporary cannabis event shall occur on the dates stated on the license and shall occur at the location stated on the license. All onsite sales of cannabis goods must comply with the hours of operation requirements of section 5403 of this division.

(e) Sale or consumption of alcohol or tobacco shall not be allowed on the licensed temporary cannabis event premises.

(ef) The cannabis goods sold onsite at a temporary cannabis event shall be transported by a licensed distributor or licensed microbusiness in compliance with the Act and this division. All shipments of cannabis and non-cannabis goods intended for sale at a temporary cannabis event must be checked by the temporary cannabis event organizer staff to prevent prohibited items, such as alcohol and tobacco, from entering the licensed premises.

(gh) Except small amounts of cannabis goods used for display, all cannabis goods for sale at a temporary cannabis event shall be stored in a secure, locked container that is not accessible to the public. Cannabis goods being stored by a licensee at a temporary cannabis event shall not be left unattended. Licensees may share the secure, locked container; however, each licensee using the container shall be held responsible for any violations of this section and subject to disciplinary action.

(hi) All cannabis goods at a cannabis event shall comply with all requirements for laboratory testing and labeling within the Act and section 5406 of this division.

(ij) All cannabis goods at a temporary cannabis event shall comply with all track and trace requirements within the Act and this division.

(ik) All cannabis goods used for display at a temporary cannabis event shall comply with the requirements of section 5405, subsections (a), (c) and (d), of this division.

(hl) All cannabis goods sold at a temporary cannabis event shall be placed in an exit package pursuant to section 5413 of this division.

(hn) All customer returns of cannabis goods at a temporary cannabis event shall comply with section 5410 of this division.

(mn) The daily sales limits under section 5409 of this division apply to all sales made at a temporary cannabis event.

(no) A licensed retailer shall only provide free cannabis goods to a person at a temporary cannabis event if the licensed retailer complies with all requirements of section 5411 of this division.

(np) The cannabis event organizer shall be responsible for ensuring that all rules and requirements for the onsite sale of cannabis goods are followed.
Any compensation paid from a licensed retailer to a cannabis event organizer for participation in a temporary cannabis event shall not be determined based on, or be contingent on, the sale of cannabis goods.

Authority: Section 26013, Business and Professions Code. Reference: Section 26070 and 26200, Business and Professions Code.

§ 5603. Temporary Cannabis Event Consumption

(a) Access to the area where cannabis consumption is allowed shall be restricted to persons 21 years of age or older.

(b) The event organizer licensee shall ensure that cannabis consumption is not visible from any public place or non-age-restricted area.

(c) Sale or Consumption of alcohol or tobacco shall not be allowed on the licensed premises.

(d) The event organizer shall hire or contract for security personnel who are at least 21 years of age to provide security services at the licensed temporary cannabis event. All security personnel hired or contracted for by the licensee shall be licensed by the Bureau of Security and Investigative Services and shall comply with Chapters 11.4 and 11.5 of Division 3 of the Business and Professions Code.

(e) All requirements for onsite cannabis consumption imposed by the relevant local jurisdiction shall be followed and smoking of cannabis goods shall be prohibited in any areas where smoking is prohibited by law.

(f) The cannabis event organizer, who holds the temporary cannabis event license, shall be responsible for ensuring that all rules and requirements for the onsite consumption of cannabis goods are followed.

(g) A cannabis event organizer and all other licensees participating in a temporary cannabis event are required to follow all applicable requirements in this division pertaining to record keeping and waste management.

(h) Any compensation paid from a licensed retailer to a cannabis event organizer for participation in a temporary cannabis event shall not be determined based on, or tied to, the sale of cannabis goods.

Authority: Section 26013, Business and Professions Code. Reference: Section 26200, Business and Professions Code.

Chapter 6. TESTING LABORATORIES
Article 1. Chapter Definitions

§ 5700. Definitions

In addition to the definitions in section 5000 of this division, the following definitions apply to this chapter.

(a) “Acceptance criteria” means the specified limits placed on the characteristics of an item or method that are used to determine data quality.

(b) “Accredited college or university” means a college or university accredited by a regional or national accrediting agency that is an accreditor recognized by the Secretary of the US Department of Education.

(c) “Accreditation body” means an impartial non-profit organization that operates in conformance with the International Organization for Standardization (ISO) / International Electrotechnical Commission (IEC) standard 17011 and is a signatory to the International Laboratory Accreditation Cooperation (ILAC) Mutual Recognition Arrangement (MRA) for Testing.

(d) “Action level” means the threshold value that provides the criterion for determining whether a sample passes or fails an analytical test.

(e) “Analyte” means a chemical, compound, element, bacteria, yeast, fungus, or toxin to be identified or measured.

(f) “Analytical batch” means a group set of no more than 20 samples that is prepared together for the same analysis and analyzed sequentially using the same instrument calibration curve and that have common analytical quality control checks (LQC) samples.

(g) “Analytical method” means a technique used qualitatively or quantitatively to determine the composition of a sample or a microbial contamination of a sample.

(h) “Analytical sequence” means a group of samples that are analyzed sequentially using the same instrument calibration curve.

(i) “Cannabinoid” means a class of diverse chemical compounds derived from a cannabis plant.

(j) “CAS number” means the unique numerical identifier assigned to every chemical substance by Chemical Abstracts Service, a division of the American Chemical Society.

(k) “CBD” means cannabidiol, CAS number 13956-29-1.

(m) “CBG” means cannabigerol, CAS number 25654-31-3.

(n) “CBN” means cannabinol, CAS number 521-35-7.

(o) “Certificate of accreditation” means a document issued by an accreditation body that attests to the laboratory’s competence to carry out specific testing analysis.
“Certificate of analysis” (COA) means the report prepared by the laboratory about the analytical testing performed and results obtained by the laboratory.

“Certified reference material” means a reference material prepared by a certifying body or a party independent of the laboratory with ISO/IEC 17034 accreditation.

“Chain of Custody” (COC) means the chronological documentation that records the sequence of custody, control, transfer, analysis, and disposal of a sample.

“Coefficient of Determination” (commonly denoted as “r^2”) means a statistical measure that determines how well the regression approximates the actual data points in the calibration curve, with a regression of 1 being a perfect fit.

“Continuing calibration verification” (CCV) means a type of quality control sample that is a mid-range calibration standard which checks the continued validity of the initial calibration of the instrument.

“Corrective action” means an action taken by the laboratory to resolve, and prevent from recurrence, a problem with the technical operations of the laboratory.

“Exclusivity” means the specificity of the test method for validating microbial testing methods. It evaluates the ability of the method to distinguish the target organisms from similar but genetically distinct non-target organisms.

“Foreign material” means any filthy, putrid, or decomposed substance including hair, insects, excreta, or related adulterant that may be hazardous or cause illness or injury to the consumer.

“Frequency” means the number of items occurring in each category. Frequency may be determined by analytical method or laboratory specific requirements for accuracy, precision of the analysis, or statistical calculation.

“Sample increment” means a portion of a batch that, together with other increments, makes up the sample.

“Inclusivity” means, related to microbiological method validation, the sensitivity of the test method. It evaluates the ability of the test method to detect a wide range of target organisms by a defined relatedness.

“Inhalable” means consumable in gaseous or vapor form through the lungs.

“Initial Calibration Verification” (ICV) means a solution of targeted method analytes of known concentration that is obtained from a source external to the laboratory and different from the source of calibration standards.

“ISO/IEC” means the joint technical committee of the International Organization for Standardization (ISO) and the International Electrotechnical Commission (IEC).
"ISO/IEC 17025" means the general requirements specified by the ISO/IEC for the competence of testing and calibration laboratories.

"ISO/IEC 17034" means the general requirements established by the ISO/IEC for the competence of reference material producers.

"ISO/IEC 17043" means the general requirements established by the ISO/IEC for proficiency testing.

"Laboratory" means "testing laboratory" as defined at Business and Professions Code section 26001.

"Laboratory Control Sample" (LCS) means a blank matrix to which known concentrations of the target method analytes are added. The LCS is analyzed in the same manner as the representative sample.

"Laboratory replicate sample" means a duplicate sub-sample taken of the representative sample used for laboratory quality control purposes to demonstrate reproducibility. It is prepared and analyzed in the identical manner as the representative sample and analyzed separately. The results from the representative sample replicate analyses are used to evaluate analytical precision.

"Laboratory employee" means any person directly employed by the laboratory for wages, salary, barter, or trade by the laboratory and who is not employed by any other licensee under the Act except for another testing laboratory. Laboratory employee does not mean independent contractor, third party entity or any other entity acting on behalf of the laboratory.

"Laboratory quality assurance" means the set of operating principles that enable laboratories to produce defensible data of known accuracy and precision and includes employee training, equipment preventative maintenance procedures, calibration procedures, and quality control testing, among other things.

"Limit of detection" (LOD) means the lowest quantity of a substance or analyte that can be distinguished from the absence of that substance within a stated confidence limit.

"Limit of quantitation" (LOQ) means the minimum concentration of an analyte in a specific matrix that can be reliably quantified while also meeting predefined goals for bias and imprecision.

"Matrix" means the substances that are present in a sample except for the analyte(s) of interest.

"Matrix spike duplicate" means the duplicate sample of the matrix spike sample that is prepared by adding a known quantity of a target analyte to a sample matrix or to a matrix that is as closely representative of the matrix being analyzed as possible.

"Matrix spike sample" means a sample prepared by adding a known quantity of the target analyte to a sample matrix or to a matrix that is as closely representative of the matrix being analyzed as possible.
“Method blank” means an analyte free matrix to which all reagents are added in the same volumes or proportions as used in the sample preparation and is processed in exactly the same manner as the samples.

“Moisture content” means the percentage of water in a sample, by weight.

“Non-target organism” means an organism that the test method or analytical procedure is not testing for and can be used in evaluating the specificity of a test method.

“Percent recovery” means the percentage of a measured concentration relative to the added (spiked) concentration in a reference material, matrix spike sample, or matrix spike duplicate sample. A laboratory shall calculate the percent recovery by dividing the sample result by the expected result then multiplying the quotient by 100.

“Practical experience” means experience performing scientific analytical tests in a laboratory setting using equipment, instruments, kits, and materials routinely found in a laboratory. Practical experience includes experience in any type of laboratory setting and is not limited to cannabis-specific laboratories.

“Proficiency test” means an evaluation of a laboratory’s performance against pre-established criteria by means of interlaboratory comparisons of test measurements.

“Proficiency test sample” means a sample that is prepared by a party independent of the testing laboratory with the ISO/IEC 17043 accreditation, where the concentration and identity of an analyte that is known to the independent party, but is unknown to the testing laboratory and testing laboratory employees.

“Quality control” means the set of measures implemented within an analytical procedure to ensure that the measurement system is operating in a state of statistical control for which errors have been reduced to acceptable levels.

“Quality control sample” means a sample that is produced and used by a laboratory for the purpose of assuring the quality of the data and results. Quality control samples include blank samples, matrix spike samples, field duplicate, laboratory control samples, replicate samples, and reference material samples.

“Reagent” means a compound or mixture added to a system to cause a chemical reaction or test if a reaction occurs. A reagent may be used to tell whether a specific chemical substance is present by causing a reaction to occur with the chemical substance.

“Reference material” means material containing a known concentration of an analyte of interest that is in solution or in a homogeneous matrix.

“Reference method” means the method by which the performance of an alternate method is measured or evaluated.

“Relative percent difference” means the comparative statistic that is used to calculate precision or random error. RPD is calculated using the following equation:
RPD = \left(\frac{\text{representative sample measurement} - \text{duplicate sample measurement}}{\text{representative sample measurement} + \text{duplicate sample measurement}}\right) \times 100\% \tag{wwbbh}

“Relative standard deviation” means the standard deviation expressed as a percentage of the means recovery. RSD is calculated using the following equation:

\text{RSD} = \left(\frac{s}{x}\right) \times 100\%; \text{ where } s = \text{standard deviation and } x = \text{mean} \tag{cccc}

“Representative” means a small quantity of the batch whose characteristics represent, as accurately as possible, the entire batch, thus allowing the results to be generalized. \tag{yyddd}

“Representative sample” means a sample that is comprised of several increments of either cannabis goods that are collected from a batch for testing. \tag{ee}

“Requester” means the person who submits a request to the laboratory for testing of cannabis or cannabis products from an entity licensed under this division. \tag{zzff}

“Reserve sample” means any portion of a representative sample that was not used in the testing process. \tag{gg}

“Sample” means a representative part of, or a single item from, a batch which is comprised of several sample increments. \tag{aaa}

“Sample increment” means a portion of a batch that, together with other increments, makes up the sample. \tag{iii}

“Sampler” means the laboratory employee responsible for obtaining samples of cannabis or cannabis products from a licensed distributor or licensed microbusiness. \tag{bbjjj}

“Sanitize” means to sterilize, disinfect, or make hygienic. \tag{kkkk}

“Scope of accreditation” means the tests or types of tests performed, materials or products tested, and the methods used for testing cannabis or cannabis products for which the accreditation has been granted. \tag{dd}

“Standard operating procedure” (SOP) means a written document that provides detailed instructions for the performance of all aspects of an analysis, operation, or action. \tag{mmm}

“Tamper-evident” means a one-time-use security tape or seal that is affixed to the opening of a package, allowing a person to recognize whether the package has been opened. \tag{nnmmm}

“Target organism” means an organism that is being tested for in an analytical procedure or test method. \tag{yyyyy}

“THC” and “delta-9 THC” means tetrahydrocannabinol, CAS number 1972-08-3. \tag{oooo}

“THCA” means tetrahydrocannabinolic acid, CAS number 23978-85-0. \tag{pppp}

“Validation” means the confirmation by examination and objective evidence that the requirements for a specific intended use or analytical method are fulfilled. \tag{hhhh}

Article 2. Laboratory License

§ 5701. General Laboratory License Requirements

(a) A licensed laboratory shall maintain ISO/IEC 17025 accreditation for the testing of the following:
(1) Cannabinoids;
(2) Heavy metals;
(3) Microbial impurities;
(4) Mycotoxins;
(5) Residual pesticides;
(6) Residual solvents and processing chemicals; and
(7) If tested, terpenoids.

(b) Each testing laboratory licensed premises shall have ISO/IEC 17025 accreditation.

(c) A licensed laboratory shall retain, and make available to the Bureau upon request, all records associated with the licensee’s ISO/IEC 17025 certificate of accreditation.

Authority: Section 26013, Business and Professions Code. Reference: Section 26100, Business and Professions Code

§ 5702. Laboratory License Application

In addition to the information required in section 5002 of this division, an application for a testing laboratory license includes the following:

(a) A valid certificate of accreditation, issued by an accreditation body, that attests to the laboratory’s competence to perform testing of, including all the required analytes for the following test methods:

(1) Cannabinoids;
(2) Heavy metals;
(3) Microbial impurities;
(4) Mycotoxins;
(5) Residual pesticides;
(6) Residual solvents and processing chemicals; and
(7) If tested, terpenoids.

(b) Standard operating procedures for the following testing methods:

(1) Cannabinoids;
(2) Heavy metals;
(3) Microbial impurities;
(4) Moisture content and water activity;
(5) Mycotoxins;
(6) Residual pesticides;
(7) Residual solvents and processing chemicals; and
(8) If tested, terpenoids.

(c) Method validation report for the following testing methods:

(1) Cannabinoids;
(2) Foreign material;
(3) Heavy metals;
(4) Microbial impurities;
(5) Moisture content and water activity;
(6) Mycotoxins;
(7) Residual pesticides;
(8) Residual solvents and processing chemicals; and
(9) If tested, terpenoids.

(10) If tested, homogeneity.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26050, 26051.5, 26055, 26102 and 26104, Business and Professions Code

§ 5703. Provisional Testing Laboratory License

(a) A laboratory may apply for a provisional license prior to receiving ISO/IEC 17025 accreditation provided that the applicant meets all other licensure requirements for a testing laboratory and submits to the Bureau an application in compliance with section 5002 of this division and an attestation that the applicant has or intends to seek ISO/IEC 17025 accreditation for all testing methods required by this division.

(b) A provisional testing laboratory license shall be valid for 12 months. The annual license fee for a provisional license shall be determined pursuant to section 5014 of this division.

(c) To timely renew a provisional license, a completed license renewal form and the annual renewal license fee pursuant to section 5014 of this division shall be received by the Bureau from the licensee no earlier than 60 calendar days before the expiration of the license and no later than 5:00 p.m. Pacific Time on the last business day before the expiration of the license if the renewal form is submitted to the Bureau at its office(s), or no later than 11:59 p.m. on the last business day before the expiration of the license if the renewal form is submitted to the Bureau through its electronic licensing system. Failure to receive a notice for license renewal does not relieve a licensee of the obligation to renew a provisional license as required.

(d) In the event the license is not renewed prior to the expiration date, the licensee must not test any commercial cannabis goods until the license is renewed.

(e) A licensee may submit a license renewal form up to 30 calendar days after the license expires. Any late renewal form will be subject to a late fee equal to 50 percent of the applicable licensing fees required by subsection (c) of this section.

(f) The license renewal form application shall contain the following:

(1) The name of the licensee. For licensees who are individuals, the applicant shall provide both the first and last name of the individual. For licensees who are business entities, the licensee shall provide the legal business name of the applicant;

(2) The license number and expiration date;

(3) The licensee’s address of record and licensed premises address; and

(4) An attestation that all information provided to the Bureau in the original application under section 5002 of this division or subsequent notification under section 5023 of this division is accurate and current.

(g) The Bureau may renew a provisional license for an initial renewal period of 12 months.

(h) After one renewal, the Bureau may renew the provisional license for additional 12-month periods if the licensee has submitted an application for the ISO/IEC 17025 accreditation. In addition to the information required for a renewal form pursuant to subsection (f) of this section, any renewal request pursuant to this section shall also include an attestation that the licensee’s
application for each ISO/IEC 17025 is pending with the accrediting body, the name of the accrediting body, and the date the application was submitted to the accrediting body.

(i) The licensee shall notify the Bureau if the application for each ISO/IEC 17025 accreditation is granted or denied within 5 business days of receiving the decision from the accrediting body. If the accrediting body grants or denies the licensee’s application for any ISO/IEC 17025 accreditation before the expiration of the provisional license, the Bureau may terminate the provisional license at that time.

(j) The Bureau may revoke a provisional license at any time.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26031, and 26050, Business and Professions Code.

Article 3. Sampling Cannabis and Cannabis Products

§ 5704. Sampling Standard Operating Procedures

(a) The laboratory shall develop and implement a sampling standard operating procedure (SOP) that describes the laboratory’s method for obtaining representative samples of cannabis and cannabis products. The laboratory shall use and submit to the Bureau Sampling – Standard Operating Procedures, Form BCC-LIC-021 (New 7/18), which is incorporated herein by reference.

(b) The sampling SOP shall include the following information:

(1) A procedure for obtaining samples of each matrix type the laboratory samples, and
(2) A procedure for the collection of samples to perform homogeneity analysis of edible cannabis products.

(c) The sampling SOP shall specify that during sampling, the sampler shall, at minimum:

(1) Follow the laboratory’s sampling SOP;
(2) Ensure that the sampling area is free of contaminants;
(3) Sanitize sampling tools between each batch;
(4) Use disposable gloves and change gloves between each batch;
(5) Weigh samples to within 0.1 gram of accuracy using a calibrated balance;
(6) Collect representative sample from each batch;
(7) Place the sample in a container capable of preventing degradation or contamination and seal the sample container with tamper-evident material;
(8) Assign a unique sample identifier to both the primary and field duplicate samples;
(9) Record on the sample field log the conditions under which the sample is transported and stored; 

(10) Follow chain of custody protocols; and

(11) Complete the sample field log.

(d) The supervisory or management laboratory employee shall review, approve, sign, and date the sampling SOP and each revision thereto.

(e) The laboratory shall retain a copy of the sampling SOP on the licensed laboratory premises and ensure that the sampling SOP is accessible to the sampler during sampling.

§ 5705. General Sampling Requirements

(a) The laboratory that obtains a representative sample from a licensed distributor or licensed microbusiness shall perform all the required testing at one licensed laboratory premises.

(b) The laboratory may obtain and analyze samples only from batches in final form as required by Business and Professions Code section 26100.

(c) The laboratory sampler shall collect a representative sample following the procedures specified in the laboratory’s sampling standard operating procedure(s).

(d) The laboratory shall collect a representative sample from each batch.

(e) The laboratory shall ensure that the sample is transported and subsequently stored at the laboratory in a manner that prevents degradation, contamination, commingling, and tampering. If the cannabis or cannabis product good specifies on the label how the product cannabis good shall be stored, the laboratory shall store the sample as indicated on the label.

(f) The laboratory shall complete a chain of custody form and sample field log for each sample that the laboratory collects and analyzes.

§ 5706. Sample Field Log/Chain of Custody (COC)

(a) The laboratory shall develop and implement a COC protocol to ensure accurate documentation is recorded for the transport, handling, storage, and destruction of samples.

(b) The COC protocol shall require the use of a COC form. The sampler shall use a sample field log/COC to record the following information for each sampled batch:

(1) Laboratory’s name, physical address, and license number;

(2) Sampler’s name(s) and title(s);
(c) Date and time sampling started and ended;
(d) Distributor’s name, (3) Licensed distributor or licensed microbusiness’ name, physical address, and license number;
(e) Cultivator’s, (4) Licensed cultivator’s, licensed manufacturer’s, or licensed microbusiness’ name, physical address, and license number;
(f) Batch number of the batch from which the representative sample was obtained and assigned unique sample identifier;
(g) Sample matrix;
(h) Total batch size, by weight or unit count;
(i) Total weight or unit count of the representative sample;
(j) The unique sample identification number for each sample; and
(k) Sampling conditions or problems encountered during the sampling process, if any.

(10) Printed name and signature of the licensed distributor or licensed microbusiness’ employee; and
(11) Printed name and signature of the sampler;

(c) Each time the sample changes custody between licensees, is transported, or is destroyed, the date, time, and the names and signatures of persons involved in these activities shall be recorded on the COC form.

§ 5707. Harvest Batch Sampling

(a) The sampler shall obtain a representative sample from each prepacked or unpacked harvest batch. The representative sample must weigh 0.35% of the total harvest batch weight.

(b) A sampler may collect greater than 0.35% of a prepacked or unpacked harvest batch if necessary to perform the required testing or to ensure that the samples obtained are representative.

(c) The prepacked or unpacked harvest batch from which a sample is obtained shall weigh no more than 50.0 pounds. Laboratory analyses of a sample collected from a harvest batch weighing more than 50.0 pounds shall be deemed invalid and the harvest batch from which the sample was obtained may not be released for retail sale.

(d) When the sampler obtains a representative sample from an unpacked harvest batch, the sampler shall do all the following:

(1) Collect the number of increments relative to the unpacked harvest batch size as listed in the following table;
(2) Obtain increments from random and varying locations of the unpacked harvest batch, both vertically and horizontally. To the extent practicable, the increments obtained from an unpacked harvest batch shall be of equal weight; and

(3) To the extent practicable, collect an equal number of increments from each container if the unpacked harvest batch is stored in multiple containers.

§ 5708. Cannabis Product Batch and Pre-Roll Sampling

(a) The sampler shall collect obtain a representative sample from each cannabis product batch or pre-roll batch.

(b) The sampler may collect a greater number of increments if necessary to perform the required testing or to ensure that the samples obtained are representative.

(c) The cannabis product batch or pre-roll batch from which a representative sample is obtained shall contain no more than 150,000 units. Laboratory analyses of a sample collected from a cannabis product batch containing more than 150,000 units shall be deemed invalid and the cannabis product batch or pre-roll batch from which the representative sample was obtained may not be released for retail sale.

(d) The sampler shall obtain a representative sample of cannabis product or pre-roll batch by collecting, at minimum, the number of increments relative to the cannabis product batch size as listed in the following table. Each increment consists of 1 packaged unit.

§ 5709. Chain Laboratory Transportation of Custody (COC) Protocol Cannabis Goods Samples

(a) The laboratory following requirements apply when a licensed testing laboratory transports cannabis goods samples:

(1) Cannabis goods shall only be transported inside of a vehicle or trailer and implement a COC protocol to ensure accurate documentation shall not be visible or identifiable from outside of the vehicle or trailer. For purposes of this section, the inside of the vehicle includes the trunk.

(2) The laboratory shall ensure cannabis goods samples are stored in a locked box, a locked container, or a locked cage that is secured to the inside of the vehicle or trailer during transport, handling, storage.

(3) While left unattended, vehicles, and destruction of samples—trailers shall be locked and secured.

(4) The laboratory shall not leave a vehicle or trailer containing cannabis goods samples unattended in a residential area or parked overnight in a residential area.

(5) The laboratory shall ensure that any vehicle or trailer transporting cannabis goods samples has a vehicle alarm system.

(6) The laboratory shall ensure that packages or containers holding cannabis goods samples are neither tampered with, nor opened during transport.

(7) The laboratory transporting cannabis goods samples shall only travel between licensees for whom the laboratory is conducting compliance testing or quality assurance testing for, and the laboratory’s licensed premises when engaged in the transportation of cannabis goods. A laboratory shall not deviate from the travel requirements described in this section, except for necessary rest, fuel, or vehicle repair stops.

(8) The laboratory may transport multiple cannabis goods samples obtained from multiple licensees at once.

(9) Vehicles or trailers transporting cannabis goods samples are subject to inspection by the Bureau at any licensed premises or during transport at any time.

(10) No person under the age of 21 years old shall be in a vehicle or trailer transporting cannabis goods samples.

| 3,201 – 10,000 | 20 |
| 10,001 – 35,000 | 32 |
| 35,001 – 150,000 | 50 |
(11) Only an employee of the laboratory, or security personnel who meets the requirement of section 5045 of this division shall be in a vehicle while transporting cannabis goods samples.

(b) The COC protocol laboratory shall require the use of a COC form that contains, at minimum, provide the following required transport vehicle information to the Bureau:

(1) Laboratory’s name, physical address, and Proof that the laboratory owns or holds or a valid lease for each vehicle used to transport cannabis goods samples;

(2) The year, make, model, license plate number, and numerical Vehicle Identification Number (VIN) for each vehicle or trailer used to transport cannabis goods samples; and

(2) Distributor’s name, physical address, and license number;

(3) Unique sample identifier;

(4) Date and time of the sample collection;

(5) Printed and signed name(s) of the distributor(s);

(6) Printed and signed name(s) of the sampler(s); and

(7) Printed and signed name(s) of the testing laboratory employee who received the sample.

(c) Each time the sample changes custody between licensees, is transported, or is destroyed, the date, time, and the names and signatures of persons involved in these activities shall be recorded on the COC form.

(3) Proof of insurance for each vehicle used to transport cannabis goods samples.

(c) The laboratory shall provide the Bureau with the information required by this section in writing for any new vehicle or trailer that will be used to transport cannabis goods samples prior to using the vehicle or trailer.

(d) The laboratory shall provide the Bureau with any changes to the information required by this section in writing within 30 calendar days.

§ 5710. Laboratory Receipt of Samples Obtained from a Distributor or Microbusiness

(a) The laboratory may accept and analyze a sample from a licensed distributor or licensed microbusiness for the required testing under section 5714 of this division only if there is an accompanying COC form for the sample.

(b) The laboratory employee who receives the sample shall date, print, and sign their name on the accompanying sample COC.
(d) (c) The laboratory shall not analyze a sample obtained from a licensed distributor or licensed microbusiness, and the batch from which the sample was obtained may not be released for retail sale, if any of the following occur:

(1) The sample is received at the laboratory without the requisite COC form;

(2) The tamper-evident material is broken prior to the sample being received at the laboratory; or

(3) There is evidence of sample commingling, contamination, degradation, or a related occurrence rendering the sample unusable for analytical testing when the sample is received at the laboratory.

Article 4. Standard Operating Procedures

§ 5711. Laboratory Analyses Standard Operating Procedures

(a)–The laboratory shall develop, implement, and maintain written standard operating procedures (SOP) for the following laboratory processes: sample preparation and each required test method. The laboratory shall use and submit to the Bureau the following forms which are incorporated by reference:

(1a) Sample Preparation. Sample preparation SOP(s) shall address the following:

(A) Sample homogenization;

(B) Handling – Standard Operating Procedures, Form BCC-LIC-022 (New 7/18), which is incorporated herein by reference; and

(C) Preservation; and

(D) Hold time.

(2b) Test Methods. Each test method SOP shall address the following:

(A) Test method name;

(B) Applicable analytes and matrices;

(C) Method sensitivity;

(D) Potential interferences with the analysis, if any;

(E) Analytical instruments used for testing;

(F) Types, frequency, and acceptance criteria for quality control samples;

(G) Types, frequency, and acceptance criteria for calibration standards;

(H) Procedure for analyzing analytical batch samples;
(I) Calculation of results, if any; and

(J) Reagent, solution, standards, and Standard Operating Procedures, Form BCC-LIC-023 (New 7/18), which is incorporated herein by reference material preparation, if any.

(b) The supervisory or management laboratory employee shall review, approve, sign, and date each SOP and each revision thereto.

(c) The laboratory shall keep each SOP at the licensed laboratory premises and ensure that each SOP is accessible to laboratory employees during operating hours.

(d) The laboratory shall make each SOP available for inspection by the Bureau upon request, as well as any other SOPs associated with the licensee’s ISO/IEC 17025 certificate of accreditation.

§ 5712. Test Methods

(a) The laboratory shall develop, implement, and validate test methods for the analyses of samples as required under this division.

(b) To the extent practicable, the laboratory test methods shall comport with the following guidelines:

1) US Food and Drug Administration’s Bacterial Analytical Manual, 2016;

§ 5713. Validation of Test Methods

(a) The laboratory may use a nonstandard, amplified, or modified test method or a method that is designed or developed by the laboratory to validate the methods for analyses of samples.

(1) The laboratory shall include and address the criteria listed in the following table when validating test methods for microbial analyses of samples.
<table>
<thead>
<tr>

</tbody>
</table>

(1) The laboratory shall include and address the following criteria to validate test methods for chemical analyses of samples:

(A) Accuracy;

(B) Precision;

(C) Linearity and range;

(i) The Coefficient of Determination ($r^2$) for all calibration curves shall be greater than or equal to 0.99.

(ii) LOQ for analytes tested shall be within the linear range of the calibration curve.

(D) Calibration standard;

(i) For calibration curves, there shall be a minimum of five calibration standards, not including zero; and

(ii) Each calibration curve must include an Initial Calibration Verification (ICV).

(E) Sensitivity and selectivity;

(F) Limit of detection and limit of quantitation;

(G) Recovery;
(H) Reproducibility; and

(I) Robustness.

(d) If available, the laboratory shall use certified reference materials, to validate the following chemical analyses. The test method used for analysis is valid if the percent recovery of the certified reference material is between 80% to 120% for all required analytes.

(A) Cannabinoids, if available;

(B) Heavy metals;

(C) Microbial impurities;

(D) Mycotoxins;

(E) Residual pesticides;

(F) Residual solvents and processing chemicals; and

(G) Terpenoids, if available.

(d) The laboratory shall generate a validation report for each test method. Each validation report shall include the following information:

(1) Instrument calibration data, if any;

(2) Raw data, including instrument raw data, for each test method, if any;

(3) Cannabis reference materials or certified reference materials to validate material results;

(4) Data and calculations pertaining to LOD and LOQ determinations, if any;

(5) LQC report, as described in this chapter, for the validation of each method; and

(6) Worksheets, forms, pictures, or copies of laboratory notebook pages and any other documentation necessary to meet the requirements described in subsections (b) and (c) of this section.

(7) The supervisory or management laboratory employee shall review, approve, sign, and date the validation report for each test method.

(8) Upon new test methods, or altered test methods being used in the laboratory, the new validation report shall be submitted to the Bureau within 5 business days.

Article 5. Laboratory Testing and Reporting

§ 5714. Required Testing

(a) The laboratory shall test each representative sample for the following:

Bureau of Cannabis Control Emergency Regulations Readopt Text – Readopt June 2018 — Page 109 of 147
(1) Cannabinoids;
(2) Foreign material;
(3) Heavy metals;
(4) Microbial impurities;
(5) Mycotoxins;
(6) Moisture content and water activity;
(7) Residual pesticides;
(8) Residual solvents and processing chemicals; and
(9) If applicable, terpenoids; and
(10) If applicable, homogeneity.

(b) The laboratory shall report the results of each analysis performed by the laboratory on the certificate of analysis.

§ 5715. Phase-In of Required Laboratory Testing

(a) Cannabis and cannabis product goods shall not be sold or transferred to a licensed retailer or licensed microbusiness, or released for retail sale, unless a representative sample of the cannabis or cannabis product goods has undergone and passed all testing as required by this section.

(b) All cannabis harvested on or after January 1, 2018, and all cannabis products manufactured on or after January 1, 2018, shall be tested for the following analytes, if applicable:

(1) Cannabinoids as required in section 5724 of this division;
(2) Moisture content as required in section 5717 of this division;
(3) Category II Residual Solvents and Processing Chemicals as required in section 5718 of this division;
(4) Category I Residual Pesticides as required in section 5719 of this division; and
(5) Microbial Impurities as required in section 5720 of this division; and

(c) In addition to the requirements of subsection (b) of this section, all cannabis harvested on or after July 1, 2018, and all cannabis products manufactured on or after July 1, 2018, shall be tested for the following analytes, if applicable:
(1) Category I Residual Solvents and Processing Chemicals as required in section 5718 of this division;
(2) Category II Residual Pesticides as required in section 5719 of this division; and
(3) Foreign Material as required in section 5722 of this division.

(d) In addition to the requirements in subsections (b) and (c) of this section, all cannabis harvested on or after December 31, 2018, and all cannabis products manufactured on or after December 31, 2018, shall be tested for the following analytes, if applicable:

(1) Terpenoids as required in section 5725 of this division;
(2) Mycotoxins as required in section 5721 of this division;
(3) Heavy Metals as required in section 5723 of this division; and
(4) Water Activity as required in section 5717 of this division.

(e) Licensees may have a sample of cannabis tested for analytes that are not yet required to be tested. However, if the sample fails any additional test(s) not required pursuant to this section on the date of testing, the batch from which the sample was collected fails testing and shall not be released for retail sale.

§ 5716. Homogeneity Testing of Edible Cannabis Products

(a) The laboratory shall analyze a sample of edible cannabis product that contains more than one serving per unit to determine whether the edible cannabis product is of homogeneous THC content.

(b) The laboratory shall perform homogeneity testing when the first batch of edible cannabis product is tested before entering the retail market. Once the initial batch of the product passes homogeneity testing, and provided that the process for manufacturing and the composition of the edible cannabis product remains the same, a batch of edible cannabis product shall be tested for homogeneity every 6 months thereafter.

(c) A sample of edible cannabis product shall be deemed to have passed homogeneity testing if the relative standard deviation of THC concentration between the samples collected does not exceed plus or minus 10%.

(d) If a sample fails homogeneity testing, or the laboratory fails to perform homogeneity testing as required by this section, the batch from which the sample was collected fails homogeneity testing and may not be released for retail sale.

(e) If a sample passes homogeneity testing, the laboratory shall perform all other analyses required under this chapter.
§ 5717. Moisture Content and Water Activity Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis dried flower to determine the level of water activity and the percentage of moisture content.

(b) A cannabis dried flower sample, including pre-rolls, shall be deemed to have passed water activity testing if the water activity does not exceed 0.65 A\textsubscript{w}. The laboratory shall report the result of the water activity test on the certificate of analysis (COA) and indicate “pass” or “fail” on the COA.

(c) A cannabis sample shall be deemed to have passed moisture content testing if the moisture content does not exceed 13.0%. The laboratory shall report the result of the moisture content test on the COA as a percentage and indicate “pass” or “fail” on the COA.

(d) The laboratory shall analyze at least 0.5 grams of the representative sample of solid edible cannabis products to determine the level of water activity. A solid or semi-solid edible cannabis product shall be deemed to have passed water activity testing if the water activity does not exceed 0.85 A\textsubscript{w}. The laboratory shall report the result of the water activity test on the COA and indicate “pass” or “fail” on the COA.

(e) If a sample fails moisture content testing, the batch from which the sample was collected fails moisture content testing and shall not be released for retail sale.

(f) If a sample fails water activity testing, the batch from which the sample was collected fails water activity testing and shall not be released for retail sale.

§ 5718. Residual Solvents and Processing Chemicals Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis product or pre-rolls to determine whether residual solvents or processing chemicals are present.

(b) The laboratory shall report the result of the residual solvents and processing chemicals testing in unit micrograms per gram (µg/g) on the COA and indicate “pass” or “fail” on the COA.

(c) The laboratory shall establish a limit of quantification (LOQ) of 1.0 µg/g or lower for all Category I Residual Solvents or Processing Chemicals.

(d) The sample shall be deemed to have passed the residual solvents and processing chemicals testing if both of the following conditions are met:

(1) The presence of any residual solvent or processing chemical listed in the following tables in Category I is not detected, and
(2) The presence of any residual solvent or processing chemical listed in the following tables in Category II does not exceed the indicated action levels.

(A) Notwithstanding subsection (d)(2) of this section the limit for ethanol does not apply to cannabis goods that are intended to be tinctures and meet the definition of tincture, as defined by the State Department of Public Health in regulation.

§ 5719. Residual Pesticides Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis goods to determine whether residual pesticides are present.

(b) The laboratory shall report whether any Category I Residual Pesticides are detected above the limit of detection (LOD) and shall report the result of the Category II Residual Pesticides testing in unit micrograms per gram (µg/g) on the COA. The laboratory shall indicate “pass” or “fail” on the COA.

(c) The laboratory shall establish a limit of quantification (LOQ) of 0.10 µg/g or lower for all Category I Residual Pesticides.

(e) If the sample fails residual pesticides testing, the batch from which the sample was collected fails pesticides testing and shall not be released for retail sale.
§ 5720. Microbial Impurities Testing

(a) The laboratory shall analyze a minimum 1.0 grams of the representative sample of cannabis or cannabis product goods to determine whether microbial impurities are present.

(b) The laboratory shall report the result of the microbial impurities testing by indicating “pass” or “fail” on the COA.

(c) A sample of inhalable cannabis or inhalable cannabis product goods shall be deemed to have passed the microbial impurities testing if all of the following conditions are met:

1. Shiga toxin–producing Escherichia coli is not detected in 1 gram;
2. Salmonella spp. is not detected in 1 gram; and
3. Pathogenic Aspergillus species A. fumigatus, A. flavus, A. niger, and A. terreus are not detected in 1 gram.

(d) A sample of other non-inhalable cannabis or cannabis product goods shall be deemed to have passed the microbial impurities testing if both the following conditions are met:

1. Shiga toxin–producing Escherichia coli is not detected in 1 gram, and
2. Salmonella spp. is not detected in 1 gram.

(e) If the sample fails microbial impurities testing, the batch from which the sample was collected fails microbial impurities testing and shall not be released for retail sale.

§ 5721. Mycotoxin Testing

(a) The laboratory shall analyze a minimum 0.5 grams of the representative sample of cannabis or cannabis product goods to determine whether mycotoxins are present.

(b) The laboratory shall report the result of the mycotoxins testing in unit micrograms per kilograms (µg/kg) on the COA and indicate “pass” or “fail” on the COA.

(c) A sample shall be deemed to have passed mycotoxin testing if both the following conditions are met:

1. Total of aflatoxin B1, B2, G1, and G2 does not exceed 20 µg/kg of substance, and
2. Ochratoxin A does not exceed 20 µg/kg of substance.

(d) If the sample fails mycotoxin testing, the batch from which the sample was collected fails mycotoxin testing and shall not be released for retail sale.

§ 5722. Foreign Material Testing

(a) The laboratory shall analyze the representative sample of cannabis or cannabis product goods to determine whether foreign material is present.

(b) The laboratory shall report the result of the foreign material test by indicating “pass” or “fail” on the COA.

(c) The laboratory shall perform foreign material testing on the total representative sample prior to sample homogenization.

(d) When the laboratory performs foreign material testing, at minimum, the laboratory shall do all of the following:

1. Examine both the exterior and interior of the cannabis dried flower sample, and
2. Examine the exterior of the cannabis product sample.

(e) The sample shall be deemed to have passed the foreign material testing if the presence of foreign material does not exceed:

1. 1/4 of the total sample area covered by sand, soil, cinders, or dirt;
2. 1/4 of the total sample area covered by mold;
3. 1 insect fragment, 1 rodent hair, or 1 count mammalian excreta per 3.0 grams; or
4. 1/4 of the total sample area covered by an imbedded foreign material.

(f) If the sample fails foreign material testing, the batch from which the sample was collected shall not be released for retail sale.

§ 5723. Heavy Metals Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis or cannabis product goods to determine whether heavy metals are present.

(b) The laboratory shall report the result of the heavy metals test in micrograms per gram (µg/g) on the COA and indicate “pass” or “fail” on the COA.

(c) The sample shall be deemed to have passed the heavy metals testing if the presence of heavy metals does not exceed the action levels listed in the following table.

(d) If the sample fails heavy metals testing, the batch from which the sample was collected shall not be released for retail sale.

§ 5724. Cannabinoid Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis or cannabis products to determine whether the cannabinoid profile of the sample conforms to the labeled content of each cannabinoid such as THC; THCA; CBD; CBDA; CBG; and CBN.

(b) The laboratory shall report the result of the cannabinoid testing on the COA both as a percentage and in milligrams per gram (mg/g) if by dry-weight or milligrams per milliliter (mg/mL) if by volume. The laboratory shall verify that the following equation: cannabis goods label conforms with the cannabinoid profile test results and indicate “pass” or “fail” on the COA:

(1) If the laboratory reports the result of the cannabinoid testing on the COA in dry-weight percent, they shall use the following equation:

\[
\text{Dry-weight percent cannabinoid} = \frac{\text{wet-weight percent cannabinoid}}{1 - \frac{\text{percent moisture}}{100}}
\]

(c) If the labeled content of any one cannabinoid is expressed as a total concentration of the cannabinoid, the laboratory shall calculate the total cannabinoid concentration as follows:

(1) For concentration expressed in weight:

\[
\text{Total cannabinoid concentration (mg/g)} = (\text{cannabinoid acid form concentration (mg/g)} \times 0.877) + \text{cannabinoid concentration (mg/g)}
\]

(2) For concentration expressed in volume:

\[
\text{Total cannabinoid concentration (mg/mL)} = (\text{cannabinoid acid form concentration (mg/mL)} \times 0.877) + \text{cannabinoid concentration (mg/mL)}
\]
(d) **The sample shall be deemed to have passed the cannabinoid testing if the concentration of any one cannabinoid, claimed to be present at 5% or greater of the total cannabinoid profile, does not exceed the labeled content of the cannabinoid.**

(1) For edible cannabis products with a cannabinoid serving size greater than 5.1 mg, and for all cannabis goods, the concentration of any one cannabinoid shall not exceed the labeled content of the cannabinoid, plus or minus 10%.

(2) For edible cannabis products with a cannabinoid serving size of 2.1 mg to 5.0 mg, the concentration of any one cannabinoid shall not exceed the labeled content of the cannabinoid, plus or minus 15%.

(3) For edible cannabis products with a cannabinoid serving size of less than or equal to 2.0 mg, the concentration of any one cannabinoid shall not exceed the labeled content of the cannabinoid, plus or minus 25%.

(e) If the sample fails cannabinoid testing, the batch from which the sample was collected fails cannabinoid testing and shall not be released for retail sale.

§ 5725. Terpenoid Testing

(a) The laboratory shall analyze at minimum 0.5 grams of the representative sample of cannabis or cannabis products to determine whether the terpenoid profile of the sample conforms to the labeled content of terpenoids.

(b) The laboratory shall report the result of the terpenoid testing on the COA both as a percentage and in milligrams per gram (mg/g) or milligrams per milliliter (mg/mL) if by volume. The laboratory shall verify that the cannabis goods label conforms with the terpenoid profile test results and indicate “pass” or “fail” on the COA.

(c) **The sample shall be deemed to have passed the terpenoid testing if the concentration of any one terpenoid, claimed to be present at 5% or greater of the total terpenoid profile, does not exceed the labeled content of the terpenoids, plus or minus 10%.**

(d) If sample fails terpenoid testing, the batch from which the sample was collected fails terpenoid testing and shall not be released for retail sale.

§ 5726. Certificate of Analysis (COA)

(a) The laboratory shall generate a COA only for each representative sample that the laboratory analyzes.
(b) The laboratory shall ensure that the COA contains the results of all required analyses performed for the representative sample.

(c) The laboratory shall, within 1 business day of completing analyses of a sample, both enter and upload the COA information into the track and trace system and simultaneously provide a copy of the COA to the Bureau via email at bcc@dca.ca.gov and other requesters, if any.

(d) The COA shall contain, at minimum, the following information:

1. Laboratory’s name, physical address, and license number;
2. Distributor’s, licensed distributor’s, or licensed microbusiness’ name, physical address, and license number;
3. Cultivator’s, licensed cultivator’s, licensed manufacturer’s, or licensed microbusiness’ name, physical address, and license number;
4. Batch number of the batch from which the sample was obtained;
5. Sample identifying information, including matrix type and unique sample identifiers;
6. Sample history, including the date collected, the date received by the laboratory, and the date(s) of sample analyses and corresponding testing results;
7. A picture of the cannabis goods, including packaging, if applicable;
8. For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
9. For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
10. Measured density of the cannabis goods;
11. The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
12. An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
13. Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(e) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(f) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(g) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(h) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(i) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.

(j) The laboratory shall report test results for each representative sample on the COA as follows:

1. Indicate an overall “pass” or “fail” for the entire batch;
2. When reporting qualitative results for each analyte, the laboratory shall indicate “pass” or “fail”;

For a picture of the cannabis goods, including packaging, if applicable;
For dried flower samples, the total weight of the batch, in grams, of both the representative sample or pounds, and the total batch size-weight of the representative sample in grams;
For cannabis product or pre-rolls samples, the total unit count of both the representative sample and the total batch size;
Measured density of the cannabis goods;
The identity of the analytical methods, analytical instrumentation used, and corresponding Limits of Detection (LOD) and Limits of Quantitation (LOQ); and
An attestation on the COA from the laboratory supervisory or management employee that all LQC samples required by section 5730 of this division were performed and met the acceptance criteria; and
Analytes detected during the analyses of the sample that are unknown, unidentified, or injurious to human health if consumed, if any.
(3) When reporting quantitative results for each analyte, the laboratory shall use the appropriate units of measurement as required under this chapter;

(4) When reporting results for each test method, the laboratory shall indicate “pass” or “fail”;

(5) For representative samples obtained from a cannabis or cannabis products batch to which a content label is affixed at the time of sampling, the laboratory shall report the following on the COA:

(A) The cannabinoid content and terpenoid content as printed or written on the label that is affixed to the cannabis or cannabis products batch;

(B) The cannabinoid profile and the terpenoid profile of the representative sample as determined by the laboratory as required under section 5724 and section 5725 of this chapter, respectively; and

(C) The difference, in percentage, between the cannabinoid content and terpenoid content as printed or written on the label and the cannabinoid profile and the terpenoid profile of the representative sample, if any, as determined by the laboratory;

(6) When reporting results for any analytes that were detected below the analytical method LOQ, indicate “<LOQ”;

(7) When reporting results for any analytes that were not detected or detected below the LOD, indicate “ND”;

(8) Indicate “NT” for any test that the laboratory did not perform.

(e) The laboratory supervisory or management employee shall validate the accuracy of the information contained on the COA and sign and date the COA.

Article 6. Post Testing Procedures

§ 5727. Remediation and Retesting

(a) A harvest batch or cannabis products batch that has been additionally processed after a failed testing must be retested and successfully pass all the analyses required under this chapter. An edible cannabis product batch shall not be additionally processed after a failed testing.

(b) A harvest batch or cannabis products batch that failed testing only because of nonconformance with the labeled content may be relabeled so that the batch conforms with the labeled content. Retesting is not required if the relabeling is performed at the licensed distributor or licensed microbusiness premises. An edible cannabis product batch that failed cannabinoid or terpenoid testing may only be remediated by relabeling.

(c) A harvest batch. The licensed distributor or licensed microbusiness shall arrange for remediation of a failed cannabis products batch. If the batch that is relabeled by the
If a harvest batch or cannabis product is not remediated or reprocessed in any way and it cannot be retested, any subsequent COAs produced without remediation or reprocessing of the failed batch will not supersede the initial regulatory compliance testing COA.

(e) A cannabis goods batch may only be remediated twice. If the batch fails after the second remediation attempt and the second retesting, the entire batch shall not be released for retail sale; it shall be destroyed.

(f) Within 1 business day of completing the required analyses of a representative sample obtained from a remediated harvest batch or remediated cannabis product batch, the laboratory shall enter/upload the COA information into the track and trace system. If the licensee does not yet have access to the track and trace system, it shall be emailed to the Bureau.

§ 5728. Post Testing Sample Retention

(a) The laboratory shall retain the reserve sample, consisting of any portion of a sample that was not used in the testing process. The reserve sample shall be kept, at minimum, for 45 business days after the analyses, after which time it may be destroyed and denatured to the point the material is rendered unrecognizable and unusable.

(b) The laboratory shall securely store the reserve sample in a manner that prohibits sample degradation, contamination, and tampering.

(c) The laboratory shall provide the reserve sample to the Bureau upon request.

Article 7. Laboratory Quality Assurance and Quality Control

§ 5729. Laboratory Quality Assurance (LQA) Program

(a) The laboratory shall develop and implement a LQA program to assure the reliability and validity of the analytical data produced by the laboratory. The LQA program shall, at minimum, include a written LQA manual that addresses the following:

(1) Quality control procedures;

(2) Laboratory organization and employee training and responsibilities;

(3) LQA objectives for measurement data;

(4) Traceability of data and analytical results;

(5) Instrument maintenance, calibration procedures, and frequency;
(6) Performance and system audits;

(7) Corrective action procedures;

(8) Steps to change processes when necessary;

(9) Record retention and document control;

(10) Test procedure standardization; and

(11) Method validation.

(b) The supervisory or management laboratory employee shall annually review, amend if necessary, and approve the LQA program and manual both when they are created and when there is a change in methods, laboratory equipment, or the supervisory or management laboratory employee.

§ 5730. Laboratory Quality Control (LQC) Samples

(a) The laboratory shall use LQC samples in the performance of each analysis according to the following specifications.

(b) The laboratory shall analyze LQC samples in the same manner as the laboratory analyzes cannabis and cannabis product goods samples.

(c) The laboratory shall use at least one negative and one positive controls in each analytical batch for each target organism during microbial testing. If one of the controls produces unexpected results, the samples shall be re-prepped and reanalyzed with a new set of controls.

(d) If the result of the microbial analyses is outside the specified acceptance criteria in the following table, the laboratory shall determine the cause and take steps to remedy the problem until the result is within the specified acceptance criteria.

(e) The laboratory shall prepare and analyze at least one of each of the following LQC samples for each analytical batch within each set of 20 samples for the following LQC samples:

(1) Method blank;

(2) Continuing calibration verification (CCV);

(2) Laboratory control sample (LCS); and

(3) Laboratory replicate sample; and

(4) Matrix spike sample or matrix spike duplicate sample.

(e)(f) The laboratory shall analyze, at minimum, a continuing calibration verification (CCV) sample at the beginning of each analytical sequence and every 10 samples thereafter.

(g) If the result of the chemical analyses is outside the specified acceptance criteria in the following table, the laboratory shall determine the cause and take steps to remedy the problem until the result is within the specified acceptance criteria.

(h) If any analyte is detected above any action level, as described in this chapter, the sample shall be re-prepped and reanalyzed in replicate within another analytical batch.

(1) For quantitative analyses, the re-prepped sample and its associated replicate must meet the acceptance criteria of $\text{RPD} \leq 30\%$.

(2) For qualitative analyses, the re-prepped sample and its associated replicate results must concur.

(i) If any LQC sample produces a result outside of the acceptance criteria the laboratory cannot report the result and the entire batch cannot be released for retail sale. The laboratory shall determine the cause and take steps to remedy the problem until the result is within the specified acceptance criteria.

(j) If the laboratory determines that the result is a false-positive or a false-negative, The Bureau may request the laboratory to re-sample or re-test.

(k) The laboratory shall compile and generate a LQC sample report for each analytical batch that includes LQC parameters acceptance criteria, measurements, analysis date, and matrix.

§ 5731. Limits of Detection (LOD) and Limits of Quantitation (LOQ) for Quantitative Analyses

(a) The laboratory shall calculate the LOD for chemical method analyses according to any of the following methods:

(1) Signal-to-noise ratio of between 3:1 and 2:1;

(2) Standard deviation of the response and the slope of calibration curve using a minimum of 7 spiked blank samples calculated as follows:

\[ \text{LOD} = \frac{3.3 \times \text{standard deviation of the response}}{\text{slope of the calibration curve}}; \]

or

(3) A method published by the United States Food and Drug Administration (USFDA) or the United States Environmental Protection Agency (USEPA).

(b) The laboratory shall calculate the LOQ for chemical method analyses according to any of the following methods:

(1) Signal-to-noise ratio of 10:1, at minimum;

(2) Standard deviation of the response and the slope of calibration curve using a minimum of 7 spiked blank samples calculated as follows:

\[ \text{LOQ} = \frac{10 \times \text{standard deviation of the response}}{\text{slope of the calibration curve}}; \]

or

(3) A method published by the USFDA or the USEPA.

§ 5732. Data Package

(a) The laboratory shall compile and generate a data package for each batch of samples representative sample that the laboratory analyzes. At a minimum, the data package shall contain the following:

(1) The name and physical address and license number of the laboratory that performed the analytical procedures;

(2) The names, functions, name(s), title(s), and signatures of the laboratory employees that performed the sample preparation, analyses, data review, and reviewed and approved the data final approval;

(3) All batch sample results and batch LQC sample results;

(4) Date stamped raw data, including instrument raw data, such as chromatograms for each sample, if any;

(5) Instrument test method with parameters, if any;

(6) Instrument tune report, if any;

(7) Instrument calibration data, if any;

(8) LQC sample report with includes LQC acceptance criteria, measurements, analysis date, and matrix;

(9) Worksheets, forms, pictures, or copies of laboratory notebook pages containing any other pertinent information documentation related to the identification and traceability of all reagents, reference materials, and standards used for analysis;

(10) Analytical batch sample sequence, if any;

(11) Shipping manifest, as required under this division;

(12) The field sample log and the COC form; and

(b) After the data package is compiled, and prior to the release of the COA, the supervisory or management laboratory employee shall do the following:

(1) Review the analytical results for technical correctness and completeness;

(2) Verify that the results of each analysis carried out by the laboratory are reported accurately, clearly, unambiguously, and objectively; and

(3) Approve the laboratory results by signing and dating the data package prior to release of the data by the laboratory.

(c) The data package shall be kept for a minimum of 7 years and shall be made available upon request by the Bureau.

§ 5733. Required Proficiency Testing

(a) The laboratory shall participate in a proficiency testing program ("PT program") provided by an organization that operates in conformance with the requirements of ISO/IEC 17043, at least once every six months after receiving ISO/IEC 17025 accreditation.

(b) The laboratory shall annually, successfully participate in a proficiency testing program for each of the following test methods:

1. Cannabinoids;
2. Heavy metals;
3. Microbial impurities;
4. Mycotoxins;
5. Residual pesticides;
6. Residual solvents and processing chemicals; and
7. If tested, terpenoids.

(c) The laboratory shall report all analytes available by the proficiency testing program provider and for which the licensee is required to test as required under this chapter.

(d) The laboratory shall participate in the proficiency testing program by following the laboratory’s existing SOPs for testing cannabis and cannabis products.

(e) The laboratory shall rotate the proficiency testing program among the analytical methods in the laboratory’s scope of accreditation and among the laboratory employees who perform the test methods.

(f) Laboratory employees who participate in a proficiency testing program shall sign the corresponding analytical reports or attestation statements to certify that the proficiency testing program was conducted in the same manner as the laboratory tests of cannabis and cannabis products.

(g) A supervisory or management laboratory employee shall review and verify the accuracy of results reported for all proficiency testing program samples analyzed.

(h) The laboratory shall request the proficiency testing program provider to send results concurrently to the Bureau, if available, or the laboratory shall provide the PT program results to the Bureau within 3 business days after the laboratory receives notification of their test results from the proficiency testing program provider.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26100 and 26110, Business and Professions Code.
§ 5734. Satisfactory and Unsatisfactory Proficiency Test Performance

(a) The laboratory shall be deemed to have successfully participated in a proficiency testing program for an analyte tested in a specific method if the test results demonstrate a “satisfactory” or otherwise proficient performance determination by the proficiency testing program provider.

(b) The laboratory may not report test results for analytes that are deemed by the proficiency testing program provider as “unacceptable,” “questionable,” “unsatisfactory”, or otherwise deficient.

(c) The laboratory may resume reporting test results for analytes that were deemed “unacceptable,” “questionable,” “unsatisfactory”, or otherwise deficient, only if both of the following conditions are met:

(1) The laboratory satisfactorily remedies the cause of the failure for each analyte; and

(2) The laboratory submits, to the Bureau, a written corrective action report demonstrating how the laboratory has fixed the cause of the failure.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26100 and 26110, Business and Professions Code.

§ 5735. Internal audit Laboratory Audits

(a) The laboratory shall conduct an internal audit at least once per year or in accordance with the ISO/IEC 17025 accrediting body’s requirement, whichever is more frequent.

(b) The internal audit must include all of the components required by the ISO/IEC 17025 internal-audit standards.

(c) Within 3 business days of completing the internal audit, the laboratory shall submit the results of the internal audit to the Bureau.

(d) Within 3 business days of receiving the Accrediting Body on-site audit findings the laboratory shall submit the results to the Bureau.

Article 8. Laboratory Employee Qualifications

§ 5736. General Laboratory Employee Qualifications

(a) The laboratory may only employ persons who are at least 21 years of age.

(b) The laboratory shall develop and implement an employee training program to ensure competency of laboratory employees for their assigned functions.

(c) The laboratory shall ensure and document that each laboratory employee meets the employee qualifications.
§ 5737. Supervisor or Management Responsibilities and Qualifications

(a) The laboratory shall employ a supervisor or management employee who must be responsible for:

(1) Overseeing and directing the scientific methods of the laboratory;

(2) Ensuring that the laboratory achieves and maintains a laboratory quality assurance program as required by section 5729 of this division; and

(3) Providing ongoing and appropriate training to laboratory employees.

(b) To be considered qualified, the supervisor or management employee must have earned, at minimum:

(1) A doctoral degree in biological, chemical, agricultural, environmental, or related sciences from an accredited college or university;

(2) A master’s degree in biological, chemical, agricultural, environmental, or related sciences from an accredited college or university, plus at least 2 years of full-time practical experience;

(3) A bachelor’s degree in biological, chemical, agricultural, environmental, or related sciences from an accredited college or university, plus at least 4 years of full-time practical experience; or

(4) A bachelor’s degree in any field from an accredited college or university, plus at least 8 years of full-time practical experience, 4 years of which must have been in a supervisory or management position.

§ 5738. Analyst and Sampler Qualifications

(a) The laboratory shall employ an analyst who, at minimum, must have either:

(1) Earned a master’s degree or a bachelor’s degree in biological, chemical, agricultural, environmental, or related sciences from an accredited college or university; or

(2) Completed 2 years of college or university education that included coursework in biological, chemical, agricultural, environmental, or related sciences from an accredited college or university, plus at least 3 years of full-time practical experience.

(b) The laboratory shall employ a sampler who, at minimum, must have either:

(1) Completed 2 years college or university education; or
(2) Earned a High School Diploma or passed a General Educational Development or High School Equivalency exam, plus at least 1 year of full-time practical experience.

Article 9. Record Retention

§ 5739. Records

All testing laboratory-specific records described in this chapter shall be maintained in accordance with section 5037 of this division.

Chapter 7. ENFORCEMENT

§ 5800. Right of Access

(a) The Bureau, and its authorized representatives, shall have full and immediate access to inspect and:

(1) Enter onto any premises licensed by the Bureau.

(2) Test any vehicle or equipment possessed by, in control of, or used by a licensee or their agents and employees for the purpose of conducting commercial cannabis activity.

(3) Test any cannabis goods or cannabis-related materials or products possessed by, in control of, or used by a licensee or their agents and employees for the purpose of conducting commercial cannabis activity.

(4) Copy any materials, books, or records of any licensee or their agents and employees.

(b) Failure to cooperate with and participate in any Bureau investigation pending against the licensee may result in a licensing violation subject to discipline. This subsection shall not be construed to deprive a licensee of any privilege guaranteed by the Fifth Amendment to the Constitution of the United States, or any other constitutional or statutory privileges. This subsection shall not be construed to require a licensee to cooperate with a request that would require the licensee to waive any constitutional or statutory privilege or to comply with a request for information or other matters within an unreasonable period of time in light of the time constraints of the licensee’s business. Any constitutional or statutory privilege exercised by the licensee shall not be used against the licensee in a regulatory or disciplinary proceeding against the licensee.
(c) The Bureau, and its authorized representatives, shall have the rights of immediate access under subsection (a) of this section, during any inspection, investigation, review, or audit, or as otherwise allowed by law.

(d) Prior notice of an inspection, investigation, review, or audit is not required.

(e) Any inspection, investigation, review, or audit of a licensed premises shall be conducted anytime the licensee is exercising privileges under the license, or as otherwise agreed to by the Bureau and the licensee or its agents, employees, or representatives.

(f) If the licensed premises is not accessible because access is only available by going through another licensed premises and the licensee occupying the other licensed premises denies the Bureau access, the licensees shall both be held responsible and subject to discipline.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26015, and 26160, Business and Professions Code; and Section 11181, Government Code.

§ 5801. Notice to Comply

(a) The Bureau may issue a notice to comply to a licensee for violation(s) of the Act or regulations observed during an inspection.

(b) The notice to comply shall be in writing and describe the nature and facts of each violation, including a reference to the statute or regulation violated, and may indicate the manner in which the licensee must correct the violation(s) to achieve compliance.

(c) The Bureau will serve the notice to comply prior to leaving the licensed premises after the inspection on any licensee, employee, agent, or person delegated by any of the aforementioned persons, to facilitate the inspection or accept such notice, or will mail the notice to comply within 15 calendar days of the last date of inspection.

(d) The notice to comply shall inform the licensee that the licensee may, within 15 calendar days from the date of personal service or mailing of the notice to comply, sign and return the notice to comply declaring under penalty of perjury that each violation was corrected and describing how compliance was achieved.

(e) Failure to correct the violation(s) in the notice to comply may result in a disciplinary action.

Authority: Section 26013, Business and Professions Code; Reference: Sections 26012 and 26018, Business and Professions Code.

§ 5802. Citations; Orders of Abatement; Administrative Fines

(a) The Bureau may issue citations containing orders of abatement and fines against a licensee, or an unlicensed person, for any acts or omissions which are in violation of any provision of the
Act or any regulation adopted pursuant thereto, or for any violation of state law or regulations applicable to cannabis licensees, including but not limited to state labor law.

(b) The Bureau may issue a citation under this section to a licensee for a violation of a term or condition contained in a decision placing that licensee on probation.

(c) Each citation:

(1) Shall be in writing.

(2) Shall describe with particularity the nature of the violation, including a reference to the law or regulation determined to have been violated.

(3) May contain an assessment of an administrative fine of up to $5,000, and/or an order of abatement fixing a reasonable time for abatement of the violation;

(4) Shall be served personally or by certified mail; and

(5) Shall inform the licensee or person that he or she may request an informal conference, or contest the citation, or both, pursuant to section 5803 of this division.

(d) Failure to pay a fine within 30 calendar days of the date of assessment, unless the citation is being contested, may result in further action being taken by the Bureau including, but not limited to, suspension or revocation of a license. If a citation is not appealed and the fine is not paid, the full amount of the assessed fine shall be added to the fee for renewal of the license. A license shall not be renewed without the payment of the renewal fee and fine.

(e) The amount of any fine to be levied by the Bureau shall take into consideration the factors listed in subdivision (b) of Section 125.9 of the Business and Professions Code, section 125.9(b)(3).

(f) Nothing in this section shall be deemed to prevent the Bureau from filing an accusation to suspend or revoke a license where grounds for such suspension or revocation exist.

Authority: Sections 125.9 and 26013, Business and Professions Code. Reference: Sections 125.9, 148, 149 and 26012, Business and Professions Code.

§ 5803. Contesting Citations

(a) A cited licensee or person may, within 30 calendar days of service of the citation, contest the citation by requesting a hearing in writing to the Bureau or such hearing is waived. The hearing shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of the Government Code.

(b) In addition to requesting a hearing provided for in subsection (a) of this section, the cited licensee or person may, within 15 calendar days after service of the citation, submit a written request for an informal conference with the Bureau regarding the acts or omissions charged in the citation.
(c) The Bureau shall, within 15 calendar days from receipt of the written request, hold an informal conference with the licensee or person cited, and/or his or her legal counsel or authorized representative.

(d) At the conclusion of the informal conference, the Bureau may affirm, modify, or dismiss the citation, including any fines levied or orders of abatement issued. A written decision stating the reasons for the decision shall be mailed to the cited licensee or person and his or her legal counsel, if any, within 15 calendar days from the date of the informal conference. This decision shall be deemed to be a final order with regard to the citation issued, including the levied fine and the order of abatement, if any.

(e) If the citation is dismissed, any request for a hearing shall be deemed withdrawn. If the citation is affirmed or modified, the cited licensee or person may, in his or her discretion, withdraw the request for a hearing or proceed with the administrative hearing process.

(f) If the citation, including any fine levied or order of abatement, is modified, the citation originally issued shall be considered withdrawn and new citation issued. If a hearing is requested for the subsequent citation, it shall be requested within 30 calendar days in accordance with subdivision (b)(4) of section 125.9 of the Business and Professions Code. 

Authority: Section 26013, Business and Professions Code. Reference: Sections 125.9, 26012 and 26016, Business and Professions Code.

§ 5804. Citation Compliance

(a) The time to abate or correct a violation as provided for in an order of abatement may be extended for good cause. If a cited licensee or person who has been issued an order of abatement is unable to complete the correction within the time set forth in the citation because of conditions beyond his or her control after the exercise of reasonable diligence, the licensee or person cited may request an extension of time from the Bureau in which to complete the correction. Such a request shall be in writing and shall be made within the time set forth for abatement.

(b) When a citation is not contested, or if it is appealed and the person cited does not prevail, failure to abate the violation within the time allowed or pay a fine that was imposed shall constitute a violation and a failure to comply with the citation or order of abatement.

(c) Failure to timely comply with an order of abatement or pay a fine that was imposed may result in further action being taken by the Bureau, including, but not limited to, suspension or revocation of a license, or further administrative or civil proceedings.

Authority: Section 26013, Business and Professions Code. Reference: Sections 125.9 and 26012, Business and Professions Code.

§ 5805. Minor Decoys

(a) Peace officers may use a person under 21 years of age to attempt to purchase cannabis goods, for the purposes of enforcing the Act, and to apprehend licensees, employees, or agents of licensees who sell cannabis goods to minors. For purposes of this section, a “minor” is a person under 21 years of age.
(b) The following minimum standards shall apply to the use of a minor decoy:

(1) At the time of the operation, the decoy shall be less than 20 years of age.

(2) A decoy shall either carry his or her own identification showing the decoy’s correct date of birth, or carry no identification. A decoy who carries identification shall present it upon request to any seller of cannabis goods.

(3) A decoy shall answer truthfully any questions about his or her age.

(4) Following any completed sale, but not later than the time a citation, if any, is issued, the peace officer directing the decoy shall make a reasonable attempt to enter the licensed premises or respond to the location where the licensee is located and have the minor decoy who purchased cannabis goods identify the alleged seller of the cannabis goods.

Authority: Sections 26013 and 26140, Business and Professions Code. Reference: Section 26140, Business and Professions Code.

§ 5806. Attire and Conduct

(a) No license shall allow the following:

(1a) Employment or use of any person in the sale or service of cannabis goods in or upon the licensed premises while such person is unclothed or in such attire, costume, or clothing as to expose to view any portion of the male or female breast below the top of the areola or of any portion of the pubic hair, anus, cleft of the buttocks, vulva, or genitals.

(2b) Employment or use of the services of any host or other person to mingle with the patrons while such hostess or other person is unclothed or in such attire, costume, or clothing as described in subsection (a)(1) of this section.

(3c) Encouraging or permitting any person on the licensed premises to touch, caress, or fondle the breasts, buttocks, anus, or genitals of any other person.

(4d) Permitting any employee or person to wear or use any device or covering, exposed to view, which simulates the breast, genitals, anus, pubic hair, or any portion thereof.

§ 5807. Entertainers and Conduct

(a) Live entertainment is permitted on a licensed premises, except that no licensee shall permit any person to perform acts of or acts that simulate:

(1) Sexual intercourse, masturbation, sodomy, bestiality, oral copulation, flagellation, or any sexual acts that are prohibited by law.
(B2) Touching, caressing, or fondling of the breast, buttocks, anus, or genitals.

(C2) Displaying of the buttocks, breasts, pubic hair, anus, vulva, or genitals.

(b) No licensee shall permit any person to use artificial devices or inanimate objects to depict any of the prohibited activities described above.

(c) No licensee shall permit any person to remain in or upon the licensed premises who exposes to public view any portion of his or her breast, buttocks, genitals, or anus.

§ 5808. Additional Grounds for Discipline

The following include, but are not limited to, additional grounds that constitute a basis for disciplinary action:

(a) Failure to pay a fine imposed by the Bureau or agreed to by the licensee.

(b) Failure to take reasonable steps to correct objectionable conditions on the licensed premises, including the immediately adjacent area that is owned, leased, or rented by the licensee, that constitute a nuisance, within a reasonable time after receipt of notice to make those corrections, under Penal Code section 373a of the Penal Code.

(c) Failure to take reasonable steps to correct objectionable conditions that occur during operating hours on any public sidewalk abutting a licensed premises and constitute a nuisance, within a reasonable time after receipt of notice to correct those conditions from the Bureau. This subsection shall apply to a licensee only upon written notice to the licensee from the Bureau. The Bureau shall issue this written notice upon its own determination, or upon a request from the local law enforcement agency in whose jurisdiction the licensed premises is located, that is supported by substantial evidence that persistent objectionable conditions are occurring on the public sidewalk abutting the licensed premises. For purposes of this subsection:

(1) “Any public sidewalk abutting a licensed premises” means the publicly owned, pedestrian-traveled way, not more than 20 feet from the licensed premises, that is located between a licensed premises, including any immediately adjacent area that is owned, leased, or rented by the licensee, and a public street.

(2) “Objectionable conditions that constitute a nuisance” means disturbance of the peace, public intoxication, drinking alcoholic beverages in public, smoking or ingesting cannabis or cannabis products in public, harassment of passersby, gambling, prostitution, loitering, public urination, lewd conduct, drug trafficking, or excessive loud noise.

(3) “Reasonable steps” means all of the following:

(A) Calling the local law enforcement agency. Timely calls to the local law enforcement agency that are placed by the licensee, or his or her agents or employees, shall not be construed by the Bureau as evidence of objectionable conditions that constitute a nuisance.
(B) Requesting those persons engaging in activities causing objectionable conditions to cease those activities, unless the licensee, or his or her agents or employees, feel that their personal safety would be threatened in making that request.

(C) Making good faith efforts to remove items that facilitate loitering, such as furniture, except those structures approved or permitted by the local jurisdiction. The licensee shall not be liable for the removal of those items that facilitate loitering.

(4) When determining what constitutes “reasonable steps,” the Bureau shall consider site configuration constraints related to the unique circumstances of the nature of the business.

(d) Notwithstanding that the licensee corrects the objectionable conditions that constitute a nuisance, the licensee has a continuing obligation to meet the requirements of subsections (a) and (b) of this section, and failure to do so shall constitute grounds for disciplinary action.

(e) If a licensee has knowingly permitted the illegal sale, or negotiations for the sales, of controlled substances or dangerous drugs upon his or her licensed premises. Successive sales, or negotiations for sales, over any continuous period of time shall be deemed evidence of permission. As used in this section, “controlled substances” shall have the same meaning as is given that term in Article 1 (commencing with Section 11000) of Chapter 1 of Division 10 of the Health and Safety Code, and “dangerous drugs” shall have the same meaning as is given that term in Article 2 (commencing with Section 4015) of Chapter 9 of Division 2 of the Business and Professions Code.

(f) If the licensee has employed or permitted any persons to solicit or encourage others, directly or indirectly, to buy such persons cannabis goods in the licensed premises under any commission, percentage, salary, or other profit-sharing plan, scheme, or conspiracy.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26011.5 and 26012, 26030, and 26031, Business and Professions Code.

§ 5809. Disciplinary Actions

(a) When an accusation recommending disciplinary action against a license has been filed pursuant to Section 26031 of the Business and Professions Code section 26031, the accusation shall be served on the licensee in accordance with Section 11505 of the Government Code section 11505.

(b) A hearing shall be conducted in accordance with the provisions of Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code to determine if cause exists to take action against the licensee. At such a hearing, the Bureau shall have all the powers granted therein and by the Business and Professions Code.

(c) If a hearing on an accusation against a licensee results in a finding that the licensee has committed any of the acts or omissions constituting grounds for disciplinary action, the Bureau may order the license revoked, suspended outright for a specified period of time, or suspended on probationary restriction for a specified period of time on such terms and conditions of
probation as in its judgment are supported by its findings, impose a fine, or any combination thereof. The Bureau may also issue such other lawful orders it considers to be appropriate on the basis of its findings.

(d) An accusation may be terminated by written stipulation at any time prior to the conclusion of the hearing on the accusation. If a licensee submits a proposed stipulation to the Bureau for its consideration and the Bureau subsequently declines to accept the proposed stipulation, the Bureau shall not thereafter be disqualified from hearing evidence on the accusation and taking action thereon as authorized in this section.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26012, 26031 and 26034, Business and Professions Code.

§ 5810. Interim Suspension

(a) Pursuant to Business and Professions Code section 494, the Bureau may petition for an interim order to suspend any license or impose licensing restrictions upon any licensee, if:

(1) The licensee has engaged in acts or omissions constituting a violation of the Business and Professions Code or this division, or been convicted of a crime substantially related to the licensed activity, and

(2) Permitting the licensee to continue to engage in the licensed activity would endanger the public health, safety, or welfare.

(b) An interim order for suspension or restrictions may issue with notice, as follows:

(1) The Bureau shall provide the licensee with at least 15 days’ notice of the hearing on the petition for an interim order.

(2) The notice shall include documents submitted in support of the petition.

(c) An interim order for suspension or restrictions may issue without notice to the licensee, as follows:

(1) If it appears from the Bureau’s petition and supporting documents that serious injury would result to the public before the matter could be heard on notice.

(2) The Bureau shall provide the licensee with a hearing on the petition within 20 days after issuance of the initial interim order.

(3) Notice of the hearing shall be provided within two days after issuance of the initial interim order.

(d) The Bureau shall file an accusation, pursuant to Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, within 15 calendar days of the issuance of the interim order.

Authority: Section 26013, Business and Professions Code; Reference: Sections 494, 26011.5, 26012 and 26031, Business and Professions Code.
§ 5811. Posting of Notice of Suspension

(a) A licensee whose license has been suspended shall conspicuously and continuously display a notice on the exterior of the licensee’s premises for the duration of the suspension.

(b) The notice shall be two feet in length and 14 inches in width. The notice shall read:

NOTICE OF SUSPENSION
The Bureau of Cannabis Control License(s) Issued For This Premises Has Been Suspended For Violation of State Law

(c) Advertising or posting signs to the effect that the licensed premises have been closed or that business has been suspended for any reason other than the reason provided in the decision suspending the license, shall be deemed a violation of this section.

(d) Failure to display the notice as required in this section or removal of the notice prior to the expiration of the suspension shall be a violation of this section and may result in additional disciplinary action.

(e) A licensee shall notify the Bureau within 24 hours of discovering that the notice under subsection (b) of this section has been removed or damaged to an extent that makes the notice illegible.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26011.5 and 26012, Business and Professions Code.

§ 5812. Posting of Notice of Revocation

(a) A licensee whose license has been revoked shall conspicuously display a notice on the exterior of the licensee’s premises indicating that the license has been revoked. The notice shall remain continuously on the licensed premises for at least 15 calendar days.

(b) The notice shall be two feet in length and 14 inches in width. The notice shall read:

NOTICE OF REVOCATION
The Bureau of Cannabis Control License(s) Issued For This Premises Has Been Revoked For Violation of State Law

(c) Advertising or posting signs to the effect that the licensed premises have been closed or that business has been suspended for any reason other than the reason provided in the decision revoking the license shall be deemed a violation of this section.

(d) If the Bureau revokes a license at a licensed premises that has one or more licenses at the location that will remain active after the revocation, the revocation notice shall remain posted for a period of at least 15 calendar days.

(e) Failure to display for the time required in this section shall be a violation of this section and may result in additional disciplinary action.
(f) A licensee shall notify the Bureau within 24 hours of discovering that the notice under subsection (b) of this section has been removed or damaged to an extent that makes the notice illegible.

Authority: Section 26013, Business and Professions Code. Reference: Sections 26011.5 and 26012, Business and Professions Code.

§ 5813. Enforcement Costs

(a) In any order in resolution of a disciplinary proceeding for suspension or revocation of a license, the Bureau may request the administrative law judge to direct a licensee found to have committed a violation or violations of the Act, or any regulation adopted pursuant to the Act, to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the Bureau's designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(c) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subsection (a). The Bureau may reduce or eliminate the cost award, or remand to the administrative law judge where the proposed decision fails to make a finding on costs requested pursuant to subsection (a).

(d) Where an order for recovery of costs is made and timely payment is not made as directed in the decision, the Bureau may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the Bureau may have as to any licensee to pay costs.

(e) In any action for recovery of costs, proof of the decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(f) Except as provided in subsection (g) of this section, the Bureau shall not renew or reinstate any license of any licensee who has failed to pay all of the costs ordered under this division.

(g) Notwithstanding subsection (f) of this section, the Bureau may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the Bureau for reimbursement within that one-year period for the unpaid costs.

(h) Nothing in this section shall preclude the Bureau from including the recovery of the costs of investigation and enforcement of a case in any stipulated settlement.

§ 5814. Disciplinary Guidelines

In reaching a decision on a disciplinary action under the Act and the Administrative Procedures Act (Govt. Code section 11400 et seq.), the Bureau shall consider the disciplinary guidelines entitled “Bureau of Cannabis Control Disciplinary Guidelines November 2017,” which are hereby incorporated by reference. Deviation from these guidelines and orders, including the standard terms of probation, is appropriate where the Bureau in its sole discretion determines that the facts of the particular case warrant such a deviation, e.g., the presence of mitigating factors, the age of the case, or evidentiary problems.

Authority: Section 26013, Business and Professions Code; Reference: Section 26012, 26031, Business and Professions Code.

§ 5815. Emergency Decision and Order

(a) The Bureau may issue an emergency decision and order for temporary, interim relief to prevent or avoid immediate danger to the public health, safety, or welfare. Such circumstances include, but are not limited to, the following:

(1) The Bureau has information that cannabis goods at a licensee’s premises have a reasonable probability of causing serious adverse health consequences or death.

(2) To prevent the sale, transfer, or transport of contaminated or illegal cannabis goods in possession of the licensee.

(3) The Bureau observes or has information that conditions at the licensee’s premises exist that present an immediate risk to worker or public health and safety.

(4) To prevent illegal diversion of cannabis goods, or other criminal activity at the licensee’s premises.

(5) To prevent the destruction of evidence related to illegal activity or violations of the Act.

(6) To prevent misrepresentation to the public, such as selling untested cannabis goods, providing inaccurate information about the cannabis goods, or cannabis goods that have been obtained from an unlicensed person.

(b) Temporary, interim relief, may include a suspension or administrative hold by one or more of the following:

(1) The temporary suspension of a license.

(2) An order to segregate or isolate specific cannabis goods.

(3) An order prohibiting the movement of cannabis goods to or from the premises.
(4) An order prohibiting the sale of specific cannabis goods.

(5) An order prohibiting the destruction of specific cannabis goods.

(c) The emergency decision and order issued by the Bureau shall include a brief explanation of the factual and legal basis of the emergency decision that justify the Bureau’s determination that emergency action is necessary, and the specific actions ordered. The emergency decision and order shall be effective when issued or as otherwise provided by the decision and order.

(d) To issue an administrative hold which prohibits activity related to specified cannabis goods, the Bureau shall comply with the following:

(1) The notice of the administrative hold shall include a description of the cannabis goods subject to the administrative hold.

(2) Following notice, the Bureau shall identify the cannabis goods subject to the administrative hold in the track and trace system.

(e) A licensee subject to an administrative hold shall comply with the following:

(1) Within 24 hours of receipt of the notice of administrative hold, physically segregate all designated cannabis goods in a limited access area of the licensed premises. The licensee shall ensure that all cannabis goods subject to the administrative hold are safeguarded and preserved in a manner that prevents tampering, degradation, or contamination.

(2) While the administrative hold is in effect, the licensee shall not sell, donate, transfer, transport, gift, or destroy the cannabis goods subject to the hold.

(3) A microbusiness licensee subject to an administrative hold may continue to cultivate any cannabis subject to an administrative hold. If the cannabis subject to the hold must be harvested, the licensee shall place the harvested cannabis into separate batches.

(4) A licensee may voluntarily surrender cannabis goods that are subject to an administrative hold. The licensee shall identify the cannabis goods being voluntarily surrendered in the track and trace system. Voluntary surrender shall not be construed to waive the right to a hearing or any associated rights.

(f) To issue a temporary suspension the Bureau shall specify in the order that the licensee shall immediately cease conducting all commercial cannabis activities under its license, unless otherwise specified in the order.

(g) A microbusiness licensee subject to a temporary suspension may continue to cultivate cannabis at the licensed premises only as prescribed by the Bureau in the order. If the order permits the cannabis to be harvested, the licensee shall place the harvested cannabis into separate batches.
(h) The emergency decision and order for temporary, interim relief shall be issued in accordance with the following procedures:

(1) The Bureau shall give notice of the emergency decision and order and an opportunity to be heard to the licensee prior to the issuance, or effective date, of the emergency decision and order, if practicable.

(2) Notice and hearing under this section may be oral or written and may be provided by telephone, personal service, mail, facsimile transmission, electronic mail, or other electronic means, as the circumstances permit.

(3) Notice may be given to the licensee, any person meeting the definition of owner for the license, or to the manager or other personnel at the premises.

(4) Upon receipt of the notice, the licensee may request a hearing within three (3) business days by submitting a written request for hearing to the Bureau through electronic mail, facsimile transmission, or other written means. The hearing shall commence within five (5) business days of receipt of the written request for hearing, unless a later time is agreed upon by the Bureau and the licensee.

(5) The hearing may be conducted in the same manner as an informal conference under section 5803 of this division however, the timeframes provided in section 5803 shall not apply to a hearing under this section. Pre-hearing discovery or cross-examination of witnesses is not required under this section.

(6) Following the hearing, the emergency decision and order shall be affirmed, modified, or set aside as determined appropriate by the Bureau within five (5) business days of the hearing.

(i) Within ten (10) days of the issuance or effective date of the emergency decision and order for temporary, interim relief, the Bureau shall commence adjudicative proceedings in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code to resolve the underlying issues giving rise to the temporary, interim relief, notwithstanding the pendency of proceedings for judicial review of the emergency decision as provided in subsection (k).

(j) After formal proceedings pursuant to subsection (i) of this section are held, a licensee aggrieved by a final decision of the Bureau may appeal the decision to the Cannabis Control Appeals Panel pursuant to Section 26043 of the Act.

(k) Notwithstanding administrative proceedings commenced pursuant to subsection (i), the licensee may obtain judicial review of the emergency decision and order pursuant to section 1094.5 of the Code of Civil Procedure in the manner provided in Section 11460.80 of the Government Code without exhaustion of administrative remedies.
(l) The Bureau’s authority provided by this section may be used in addition to any civil, criminal, or other administrative remedies available to the Bureau.

Authority: Section 26013, Business and Professions Code and Section 11460.30, Government Code. Reference: Section 26012, Business and Professions Code. Sections 11460.10, 11460.20, 11460.30, 11460.40, 11460.50, 11460.60, 11460.70, 11460.80, Government Code.

Chapter 8. OTHER PROVISIONS

Article 1. Research Funding

§ 5900. Eligibility

(a) Only public universities in California shall be eligible to be selected to receive funds disbursed pursuant to Revenue and Taxation Code section 34019(b).

(b) Subject to available funding, the amounts to be disbursed to the university or universities will not exceed the sum of ten million dollars ($10,000,000) for each fiscal year, ending with the 2028-2029 fiscal year.

Authority: Section 26013, Business and Professions Code and Section 34019, Revenue and Taxation Code; Reference: Section 34019, Revenue and Taxation Code.

§ 5901. Request for Proposals

A Request for Proposal (RFP) is the document issued by the Bureau, which notifies all eligible fund recipients of the following, at a minimum:

(a) The funding available for research related to the Act or regulations adopted pursuant thereto;

(b) Disbursement of funds to eligible applicants through a review and selection process, including the criteria that will be used for review and selection;

(c) The specified timeframes for the proposal review and selection process, including the deadline for submission of proposals.

(d) Proposal requirements, including necessary documentation;

(e) Any priorities or restrictions imposed upon the use of the funds;

(f) The governing statutes and regulations; and

(g) The name, address, and telephone number of a contact person within the Bureau, who can provide further information regarding the process for submission of proposals.

Authority: Section 26013, Business and Professions Code and Section 34019, Revenue and Taxation Code; Reference: Section 34019, Revenue and Taxation Code.

§ 5902. Selection Process and Criteria

(a) The selection process shall involve eligible proposals timely received by the Bureau, in response to an applicable RFP, or similar notice.
(b) The Bureau will consider only one proposal per applicant for a given research project. Applicants may submit more than one proposal if the proposals are for separate and distinct research projects or activities.

(c) The Bureau will make a selection for funding, based on criteria, including but not limited to:

1. The extent to which the proposed project is designed to achieve objectives as specified in Revenue and Taxation Code section 34019(b).

2. The extent to which the proposed project is designed to achieve measurable outcomes, and the clarity of the measures for success.

3. The extent to which the proposed project is feasible, demonstrated by:

   A. A timeline for project completion, including readiness; and

   B. Budget detail.

4. Qualifications of the staff who will be assigned or working on the proposed project.

5. Any other criteria to determine the proposed project’s efficacy in evaluating the implementation and effect of the Act.

(d) Applicants selected for funding will be notified in writing, along with the amount of the proposed funding.

(e) The Bureau’s selection decision is final and not subject to appeal.

Authority: Section 26013, Business and Professions Code and Section 34019, Revenue and Taxation Code; Reference: Section 34019, Revenue and Taxation Code.

§ 5903. Release of Funds

(a) The Bureau shall not cause funds to be disbursed until the Applicant has executed a Grant Agreement, and any other required documents.

(b) Selected recipients shall receive a single disbursement of funds for the duration of the research project.

(c) Funds released to the recipient that will be used for the purchase of any equipment related to the research project, shall at a minimum, meet the following conditions:

1. Prior to the purchase of any equipment, the recipient shall obtain written approval from the Bureau.

2. Receipts or other documentation for the purchase of any equipment shall be provided to the Bureau immediately upon purchase and request, and retained pursuant to section 5904 of this division.

(d) Any funds that are not used prior to the completion of the research project shall be forfeited.

Authority: Section 26013, Business and Professions Code and Section 34019, Revenue and Taxation Code; Reference: Section 34019, Revenue and Taxation Code.
§ 5904. Reports and Records

(a) The recipient of funds shall provide regular performance reports to the Bureau.

(1) Performance reports shall be provided to the Bureau in the following manner:

(A) At monthly intervals for research projects with an estimated completion time not exceeding one year.

(B) At quarterly intervals for research projects with an estimated completion time exceeding one year.

(2) Performance reports shall include, at a minimum:

(A) A detailed, estimated time schedule of completion for the research project;

(B) Description of any measurable outcomes, results achieved, or other completed objectives of the research project;

(C) Description of remaining work to be completed;

(D) Summary of the expenditures of the funds, and whether the research project is meeting the proposed budget, and if not, the reasons for any discrepancies and what actions will be taken to ensure the research project will be completed; and

(E) Any changes to the information provided in the proposal, including, but not limited to, change in staff.

(b) Recipients shall publish annual reports on their findings, and upon the completion of their research project, and make such reports available to the public. Prior to publishing any reports, the recipient shall provide a copy to the Bureau, at least 30 days prior to the release or publishing of the report.

(c) Recipients shall retain all research and financial data necessary to substantiate the purposes for which the funds were spent, for the duration of the funding, and for a period of seven years after completion of the research project. Recipients shall provide such documentation to the Bureau upon request.

Authority: Section 26013, Business and Professions Code and Section 34019, Revenue and Taxation Code; Reference: Section 34019, Revenue and Taxation Code.
